Knowmad Society John Moravec 2013-06-19

Knowmad Society explores the future of learning, work, and how we relate with each other in a world driven by accelerating change, value networks, and the rise of knowmads. Knowmads are nomadic knowledge workers: Creative, imaginative, and innovative people who can work with almost anybody, anytime, and anywhere. The jobs associated with 21st century knowledge and innovation workers have become much less specific concerning task and place, but require more value-generative applications of what they know. The office as we know it is gone. Schools and other learning spaces will follow next. In this book, nine authors from three continents, ranging from academics to business leaders, share their visions for the future of learning and work. Educational and organizational implications are uncovered, experiences are shared, and the contributors explore what it's going to take for individuals, organizations, and nations to succeed in Knowmad Society.

The Brain That Changes Itself Norman Doidge 2007-03-15 "Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D.,

traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

The Giver Quartet Lois Lowry 2012 Unlike the other Birthmothers in her utopian community, teenaged Claire forms an attachment to her baby, feeling a great loss when he is taken to the Nurturing Center to be adopted by a family unit.

Reaper Suzanne Wright 2022-07-07 The next sizzling paranormal romance in Suzanne Wright's globally bestselling The Dark in You series Falling in love can be a nightmare. . . Piper's always been aware of Levi. He's the kind of man who it's impossible to ignore. With his broad, muscular frame and gunmetal grey gaze he makes a statement without saying a word. But it's not until her psyche brushes his in an unguarded moment that they both realise: they are anchors. It's a shock. Neither Piper nor Levi are used to needing anyone, the crackling attraction between them is making both their demons crazy and to make matters worse, Piper's narcissistic stepsister is Levi's ex - and she's not ok with this situation. The whole thing is like a bad dream - and Piper knows all about them since she's a Nightmare, a demon with the ability to trap people in their worst memories forever. Then an old terror appears from Levi's past - a serial killer everyone had believed was dead.

They are cold, ruthless and will stop at nothing to achieve their twisted ends. Time is running out - will Piper, used to putting everyone else first, learn to fight for what - and who - she wants? Deep Carbon Beth N. Orcutt 2019-10-31 A comprehensive guide to carbon inside Earth - its quantities, movements, forms, origins, changes over time and impact on planetary processes. This title is also available as Open Access on Cambridge Core. Feral Sins Suzanne Wright 2013 When female wolf shifter Taryn Warner first encounters Trey Coleman, an alpha male wolf shifter with a dangerous reputation, she's determined to resist his charms. But Taryn finds herself drawn in by Trey's forceful demeanor and arctic-blue eyes, and she eventually agrees to enter an uneasy alliance with him. If the two succeed in convincing their respective packs that they've chosen each other as mates, Trey will win valuable political allies, while Taryn will escape an odious arranged mating. Will they be able to maintain the clear heads needed to pull off the deception?

Burn Suzanne Wright 2015-11-26 'It's been two minutes since my last fix and I need Suzanne Wright to give me more!' Edgy Reviews The first book in Suzanne Wright's bestselling witty,

paranormal romance series, *Dark in You*. Part of a small demon lair in Las Vegas, tattooist Harper Wallis lives a pretty simple life. That changes overnight when she discovers that her psychic mate, or 'anchor', is a guy who's rumoured to be the most powerful demon in existence. Compelling, full of secrets and armed with raw sexuality, Knox Thorne is determined to claim her as his anchor, creating a psychic bond that will prevent their inner demons from ever turning rogue. The billionaire also wants Harper in his bed. She's not so sure she wants either of those things. No one seems to know what breed of demon Knox is, only that he's more dangerous than anything she's ever before encountered. But he refuses to walk away. And when an unknown danger starts closing in on Harper, it seems that Knox is the only one who can keep her safe. As Prime of his Las Vegas lair and a successful businessman, Knox Thorne is used to being in control. He's also used to people fearing and obeying him. Harper does neither, which unexpectedly amuses him. Unpredictable, elusive and complex, she draws Knox and his inner demon like nothing ever has. Knox is used to getting what he wants, and he wants Harper. He'll have her, and he'll keep her safe from the threat that looms over her. Because Knox protects what's his. He won't allow anyone to take her from him. Even if it will mean letting the demon inside him rise and wreak the havoc it was created to make. Why readers are LOVING the *Dark in You* series: 'Run, don't walk, to your preferred device and click this title immediately. The worst that will happen is you will be compelled to read everything she has ever written!' Amazon Reviewer, 5 stars 'Just read it. NOW! A gigantic 5 FREAKING STARS!' Amazon Reviewer, 5 stars 'A whole lot of action and excitement. Add in lots of sarcastic banter, a sexy alpha demon and his smart-mouthed heroine, an intense, highly passionate romance and a bit of a mystery, and I devoured this book from start to finish ... Suzanne Wright is on another winner with this one!' The Escapist Book Blog

Alfalfa Management Guide Dan Undersander 2021-02-23 Learn how to achieve top yields to maximize profits. This 2011 edition offers the latest information and strategies for alfalfa establishment, production, and harvest. Includes many color photos and charts.

Consumed Suzanne Wright 2014-12-11 Sventé vampire Ava Sanchez has a difficult decision to make: should she accept the invitation of the Grand High Master Vampires and join their legion? It will mean leaving behind her brother and her home. It will also mean working with Pagori vampire, Salem McCauley. Unlike the majority of vampirekind, she doesn't fear Mr. Tall, Blond, and Dauntless...even if he does have some psychopathic traits. In fact, he has a raw sexuality that tempts her to drop her 'no relationships' rule and give him exactly what he wants from her - everything. Salem McCauley doesn't like anything cute, or sweet, or cheery. Yet he wants Ava with a desperation that's bordering on obsession. And shockingly, she doesn't look at him like others do - you know, like they fear he'll rip out their spinal cord for fun. Now that the legion will be busy hunting the players involved in the creation of an illegal vampiric brothel, there's no time for pursuing Ava. But Salem makes time, because he never denies himself what he wants and he always holds tight to what's his. And that's exactly what Ava is, whether she knows it or not: His.

Breaking Through Francisco Jimenez 2001 Having come from Mexico to California ten years ago, fourteen-year-old Francisco is still working in the fields but fighting to improve his life and complete his education.

Here Be Sexist Vampires Suzanne Wright 2013-02-08 Sam Parker is a vampire with a gift so strong and substantial that she is invited to partake in a test for a place in the Grand High Master Vampire's private army. She finds that not only has the army never included a woman, but it has never included a Sventé vampire; a breed that is regarded by the super strong Pagori breed and the

hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train the newest squad in time for the impending attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Sventé female. **Warning:** This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite.

The Other Wes Moore Wes Moore 2010-04-27
NEW YORK TIMES BESTSELLER • The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence

without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. **BONUS:** This edition contains a new afterword and a *The Other Wes Moore* discussion guide.

Fractured Suzanne Wright 2015-12-14 Since the moment Imani Prince joined the Grand High Vampires' legion, she's been drawn to the self-assured and darkly sexual Robert 'Butch' Richardson. Although he walked away from her a year ago after a short fling, she doesn't judge him for his difficulties with relationships. But now he's in her space, declaring that he wants her back and regrets his earlier mistakes. While Imani's past is trying to interfere with the present and the threat of a war is looming, she has to decide whether to give him what he's demanding: all she has to give. Butch has always struggled to connect with people, but something about the sensual and independent Imani pulls at him until she's become an obsession that he simply can't shake. But she was with another male, and watching them together was agonizing. When that relationship ends, Butch makes his move. Now he has to convince her to take a second chance on him, and he won't leave her alone until she does. As far as he's concerned, Imani's his and has always been his. He just needs to make her see that.

Heir of Fire Sarah J. Maas 2014-09-02 Celaena has survived deadly contests and shattering heartbreak-but at an unspeakable cost. Now, she must travel to a new land to confront her darkest truth . . . a truth about her heritage that could change her life-and her future-forever. Meanwhile, brutal and monstrous forces are gathering on the horizon, intent on enslaving her world. Will Celaena find the strength to not only fight her inner demons, but to take on the evil that is about to be unleashed? The bestselling series that has captured readers all over the world reaches new heights in this sequel to the New York Times best-selling *Crown of Midnight*. Packed with heart-pounding action, fierce new characters, and swoon-worthy romance, this third book will enthrall readers from start to finish.

Mockingjay (Hunger Games, Book Three) Suzanne Collins 2010-08-24 The greatly anticipated final book in the New York Times bestselling *Hunger Games* trilogy by Suzanne Collins.

Field Guide to Forest Plants of South-central Colorado David C. Powell 1987

Roughing it in the Bush, Or, Life in Canada Susanna Moodie 1852

History of Woman Suffrage: 1900-1920 Elizabeth Cady Stanton 1922

From Rags Suzanne Wright 2012-01-14 Jaxxon Carter, barmaid, would like nothing more than to better her current situation. A one-bedroomed flat, a sleazy landlord, drug-addicted neighbors - not exactly a childhood dream. When a chance encounter leads to a modelling job, she is catapulted to the peak of success. She also finds herself the focus of lethally sensual Connor McKenzie, who she hasn't seen since he left their foster home and went on to become a Formula One driver. But she has no intention of giving in to the mindless need between them. He hurt her once, and she won't allow it to happen a second time. Confident, determined, compelling...Connor McKenzie isn't a man who deprives himself of what he wants. There was only one thing he ever resisted, and it was the one thing

he wanted most: the unknowingly enticing Jaxxon. When he sees her on the cover of a magazine, it reawakens every urge he buried. She tries to keep him out of her life, but Connor can't let it go. He resisted her ten years ago for a good reason. But now that reason is no longer there, and he's resolute that nothing - not even Jaxxon - will stop him from having her.

Catching Fire (Hunger Games, Book Two) Suzanne Collins 2010-06-01 The second book in Suzanne Collins's phenomenal and worldwide bestselling *Hunger Games* trilogy.

Sullivan's Island Dorothea Benton Frank 2004-01-06 Set in the steamy, stormy landscape of South Carolina, this New York Times bestseller from the author of *Queen Bee* is the unforgettable story of one woman's courageous journey toward truth... Born and raised on idyllic Sullivan's Island, Susan Hayes navigated through her turbulent childhood with humor, spunk, and characteristic Southern sass. But years later, she is a conflicted woman with an unfaithful husband, a sometimes resentful teenage daughter, and a heart that aches with painful, poignant memories. And as Susan faces her uncertain future, she realizes that she must go back to her past. To the beachfront house where her sister welcomes her with open arms. To the only place she can truly call home...

Clinical Case Studies for the Family Nurse Practitioner Leslie Neal-Boylan 2011-11-28 *Clinical Case Studies for the Family Nurse Practitioner* is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

Paper Towns John Green 2013 Quentin Jacobson

has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

The Waves Virginia Woolf 1998 One of Woolf's most experimental novels, *The Waves* presents six characters in monologue - from morning until night, from childhood into old age - against a background of the sea. The result is a glorious chorus of voices that exists not to remark on the passing of events but to celebrate the connection between its various individual parts.

The Immortal Life of Henrietta Lacks Rebecca Skloot 2010-02-02 #1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture,

which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Cell Robin Cook 2014-02-04 A doctor's life gets turned upside by a dangerous new technology in this thought-provoking medical thriller from #1 New York Times bestselling author Robin Cook. George Wilson, M.D., a radiology resident in Los Angeles, is about to enter a profession on the brink of an enormous paradigm shift, foreshadowing a vastly different role for doctors everywhere. The smartphone is poised to take on a new role in medicine, no longer as a mere medical app but

rather as a fully customizable personal physician capable of diagnosing and treating even better than the real thing. It is called iDoc. George's initial collision with this incredible innovation is devastating. He awakens one morning to find his fiancée dead in bed alongside him, not long after she participated in an iDoc beta test. Then several of his patients die after undergoing imaging procedures. All of them had been part of the same beta test. Is it possible that iDoc is being subverted by hackers—and that the U.S. government is involved in a cover-up? Despite threats to both his career and his freedom, George relentlessly seeks the truth, knowing that if he's right, the consequences could be lethal.

Taste of Torment Suzanne Wright 2014-05-25 It's been five months since vampire Sam Parker Bound herself to Jared Michaels, her powerful co-commander within the Grand High Master vampire's personal legion. Life as a Bound couple has been going just fine...until the Grand High Master announces he will be stepping down from his position and wants Sam and Jared to take his place. Oh joy. Despite Sam's reservations, she agrees to ascend. But something very powerful has surfaced; something that is quickly decreasing the vampire population and could steal the lives of people close to Sam. At the same time, she finds herself under the scrutiny of vindictive vampires accusing her of exploiting her position as a commander - something that would threaten her ascension. Under the watchful eyes of people who would love nothing more than to strip her of her title, Sam and Jared must continue to conceal her hybrid status and find a way to fight this power that nothing before them has ever been able to overcome. If not, they stand to lose not only the people they hold close, but their future as the Grand High Pair. Warning: This novel features a female vampire who is a ray of blunt, obstinate sunshine, a possessive alpha male vampire who considers her his only weakness, lots of bad words, some dirty talk, and steamy explicit sex.

The Art of Being Human Michael Wesch
2018-08-07 Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

Bloodwitch Susan Dennard 2019-02-12 Susan Dennard's New York Times bestselling, young adult epic fantasy *Witchlands* series continues with the story of the Bloodwitch Aeduan. Aeduan has teamed up with the Threadwitch Iseult and the magical girl Owl to stop a bloodthirsty horde of raiders preparing to destroy a monastery that holds more than just faith. But to do so, he must confront his own father, and his past. "Worldbuilding after my own heart. It's so good it's intimidating."—Victoria Aveyard, #1 New York Times bestselling author of *Red Queen* *The Witchlands* #1 *Truthwitch* #2 *Windwitch* #3 *Bloodwitch* *Sightwitch* (illustrated novella) At the

Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Principles of Glacier Mechanics Roger LeB. Hooke

2019-12-05 The third edition of this successful textbook will supply advanced undergraduate and graduate students with the tools they need to understand modern glaciological research. Practicing glacial geologists and glaciologists will also find the volume useful as a reference book. Since the second edition, three-quarters of the chapters have been updated, and two new chapters have been added. Included in this edition are noteworthy new contributions to our understanding of important concepts, with over 170 references to papers published since the second edition went to press. The book develops concepts from the bottom up: a working knowledge of calculus is assumed, but beyond that, the important physical concepts are developed from elementary principles. Emphasis is placed on connections between modern research in glaciology and the origin of features of glacial landscapes. Student exercises are included.

The Aeneid Virgil 2009-04-01 Aeneas appears in The Illiad in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in The Aeneid. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins.

When He's Dark Suzanne Wright 2020-04-07 Cat shifter Bree Dwyer doesn't fear much. Ironically, what she fears most is the person who was put on the Earth just for her. Your true mate wasn't supposed to be cruel and twisted; wasn't supposed to be someone who'd never love or want to claim you. The rumors that her true mate is dead bring her only relief. Bree's intent on moving forward with her life and building a future with someone else. Sadly, the male she wants most is one she can never have--a hot-as-sin wolverine shifter who happens to

be her boss ... and the cousin of her predestined mate. Aleksandr "Alex" Devereaux detests being bullshitted, but he's been lying to himself for years--pretending he thinks of Bree as extended family; that he doesn't want her so bad he aches with it; that he can't feel himself weakening against her pull. The night they spend together changes everything. He's done fighting himself on what he wants. Someone isn't happy about that. Possibly the same 'someone' who's playing mind games with Bree, trying to scare her. They're succeeding, because too many leads point to the possibility that the culprit could be the one person that she's determined to believe is dead.

Burn Suzanne Wright 2015-06-30 Part of a small demon lair in North Las Vegas, tattooist Harper Wallis lives a pretty simple life. That changes overnight when she discovers that her psychic mate, or 'anchor', is a guy who's rumored to be the most powerful demon in existence. Compelling, full of secrets and armed with raw sexuality, Knox Thorne is determined to claim her as his anchor, creating a psychic bond that will prevent their inner demons from ever turning rogue. The billionaire also wants Harper in his bed. She's not so sure she wants either of those things. No one seems to know what breed of demon Knox is, only that he's more dangerous than anything she's ever before encountered. But he refuses to walk away. And when an unknown danger starts closing in on Harper, it seems that Knox is the only one who can keep her safe. As Prime of his Las Vegas lair and a successful businessman, Knox Thorne is used to being in control. He's also used to people fearing and obeying him. Harper does neither, which unexpectedly amuses him. Unpredictable, elusive, and complex, she draws Knox and his inner demon like nothing ever has. Knox is used to getting what he wants, and he wants Harper. He'll have her, and he'll keep her safe from the threat that looms over her. Because Knox protects what's his. He won't allow anyone to take her from him. Even if it will mean letting the demon inside him rise and wreak

the havoc it was created to make.

The Bite That Binds Suzanne Wright 2013-02-17

It's just over a week until Sam will be Binding with Jared, and the only thing she wants is to spend that time relaxing and preparing for the ceremony. Unfortunately, she seems to be asking too much of fate, because suddenly she's lumbered with a number of distractions that have the potential to postpone, or even cancel, the Binding. There's a guarded fiancé to crack, a complicated assignment to deal with, Jared's ex to alienate, and a bunch of snobbish Master Vampires to win over - or offend, whichever. On the upside, things couldn't possibly be any worse, could they? Actually, yes they could. Due to a cruel twist of fate, something strange is happening to Sam -something that is changing her in ways she doesn't like or understand. With the help of Jared and those closest to her, she has to not only handle the threats to the Binding Ceremony, but find a way to fix what has been done to her - and fast. Warning: This book contains a stubborn and occasionally homicidal female vampire, a powerful and overprotective male vampire who refuses to lose her, and scenes of a sexual, explicit nature.

Some Like It Scot Suzanne Enoch 2015-10-06 CAN
A CLASH OF WILLS Nineteenth-century, Scotland: When a mad lass in trousers shoots at him, Munro "Bear" MacLawry isn't sure what impresses him more-the girl's sure aim or her irresistibly tempting curves. Catriona MacColl has fled to the Highlands with her half-sister to escape an unwanted wedding, and wants no part of him, nor any man. But he can't abandon the flame-haired, sharp-tongued wildcat now that he's discovered her-not when she fits so perfectly in his arms...
LEAD TO A LOVE FOR ALL TIME? Munro has more than earned his nickname-he's a well-muscled, well-favored mountain of a man with an engaging bad-boy grin and a string of well-satisfied lasses behind him. Bringing Catriona food, blankets, candles, everything she needs to survive a winter in an abandoned abbey, Munro is an unexpected gift

in her reckless bid for freedom-and an unexpected complication. Clan MacDonald has plans for her, and they don't include her falling for a MacLawry. But this man makes her feel like a woman-and he may be her one chance to live a life about which she's only dared dream...in *Some Like It Scot* by New York Times bestselling author Suzanne Enoch. "One of my very favorite authors." -Julia Quinn

Critique of Black Reason Achille Mbembe

2017-02-17 In *Critique of Black Reason* eminent critic Achille Mbembe offers a capacious genealogy of the category of Blackness—from the Atlantic slave trade to the present—to critically reevaluate history, racism, and the future of humanity.

Mbembe teases out the intellectual consequences of the reality that Europe is no longer the world's center of gravity while mapping the relations among colonialism, slavery, and contemporary financial and extractive capital. Tracing the conjunction of Blackness with the biological fiction of race, he theorizes Black reason as the collection of discourses and practices that equated Blackness with the nonhuman in order to uphold forms of oppression. Mbembe powerfully argues that this equation of Blackness with the nonhuman will serve as the template for all new forms of exclusion. With *Critique of Black Reason*, Mbembe offers nothing less than a map of the world as it has been constituted through colonialism and racial thinking while providing the first glimpses of a more just future.

Savage Urges Suzanne Wright 2016-05-03 She's a lone wolf with a cause. As a volunteer at a shelter for lone shifters--the same one that rescued her--Makenna Wray has dedicated her life to finding homes for its residents. And when she discovers that a teen in her care is related to Ryan Conner, the broody, handsome-as-sin enforcer of the Phoenix Pack, she's eager to help connect the two. She just wasn't prepared to feel a connection of her own. Lone wolves are loners for a reason--and most of them bad. Or so Ryan assumes until he meets the mysterious Makenna. Quirky and sensual, she

seems to enjoy riling him, especially when she refuses to discuss her past. Although there is no mating bond, he's sure she's the one. All he has to

do is be patient and wait. But when another pack's sinister Alpha comes sniffing around, threatening Makenna and her shelter, this enforcer is ready to let his wolf off the leash....
