User Experience (UX) / User Interface (UI) - Northeastern ...

Oct 23, 2001 · WHAT IS DESIGN? “Most people make the mistake of thinking design is what it looks like. People think it’s this veneer –that the designers are handed this box and told, ‘Make it look good!’ That’s not what we think design is. It’s not just what it looks like and feels like. Design is how it works.” Steve Jobs

Oscilloscope Fundamentals - Case School of Engineering

processor. Designers have crossed a performance threshold that means, in effect, almost every design is a high-speed design. Without some precautionary measures, high-speed problems can creep into otherwise conventional digital designs. If a ...
