Lucifer—or Luce, as he prefers to be called—has been biding his time in Hell, longing for revenge against those who oh-so-easily cast him into the pit. How can this charming creature, this scarred Archangel, be the one annihilating the world she so loves? As the war wages on, the world entwined in chaos, Serah starts questioning everything she ever knew. He's handsome, experienced, rich, kind, and in complete control of his destiny. Unfortunately he's also a criminal, the President of an outlaw motorcycle club, and I've sworn off bad boys in my efforts to live my dream of being normal. He would be so much easier to resist him

if he hadn't saved my life more than once and didn't treat me like his queen. Beach Gorgeous, smart, and deadly, Sarah is my ideal woman, even if she is almost young enough to be my daughter. On the surface she's one of the toughest females I've ever met, but underneath all that hard beauty and menace lies an incredibly tender heart that's been damaged in the past. Winning her love is gonna be a challenge, but I'm determined to have her as my old lady and I'll do whatever I have to in order to make that happen. That would be a hell of a lot easier to do if people weren't trying to kill us all the time.

Understanding Second Language

Acquisition Lourdes Ortega 2014-02-04

Whether we grow up with one, two, or several languages during our early years of life, many of us will learn a second, foreign, or heritage language in later years. The field of Second language acquisition (SLA, for short) investigates the human capacity to learn additional languages in late childhood, adolescence, or adulthood, after the first language --in the case of monolinguals-- or languages --in the case of bilinguals-- have already been acquired.

Understanding Second Language Acquisition offers a wide-encompassing survey of this burgeoning field, its accumulated findings and proposed theories, its developed research paradigms, and its pending questions for the future. The book zooms in and out of universal, individual, and social forces, in each case evaluating the research findings that have been generated across diverse naturalistic and formal contexts for second language acquisition. It assumes no background in SLA and provides helpful chapter-by-chapter summaries and suggestions for further reading. Ideal as a textbook for students of applied linguistics, foreign language education, TESOL, and education, it is also recommended for students of linguistics, developmental psycholinguistics, psychology, and cognitive science. Supporting resources for tutors are available free at www.routledge.com/ortega.

Ignazio Vitale n'est pas un homme bon. Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

Thirty Day Boyfriend Whitney G. 2017-10-16 I should've never agreed to this arrangement... Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of ass-holery again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger

person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go...
