Thirty Day Boyfriend Whitney G. 2017-10-16 I should've never agreed to this arrangement... Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of ass-holery again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go...

À nos démons intimes J.M. Darhower 2020-04-23 Ignazio Vitale n'est pas un homme bon. Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

Understanding Second Language Acquisition Lourdes Ortega 2014-02-04 Whether we grow up with one, two, or several languages

during our early years of life, many of us will learn a second, foreign, or heritage language in later years. The field of Second language acquisition (SLA, for short) investigates the human capacity to learn additional languages in late childhood, adolescence, or adulthood, after the first language—in the case of monolinguals—or languages—in the case of bilinguals—have already been acquired. *Understanding Second Language Acquisition* offers a wide-encompassing survey of this burgeoning field, its accumulated findings and proposed theories, its developed research paradigms, and its pending questions for the future. The book zooms in and out of universal, individual, and social forces, in each case evaluating the research findings that have been generated across diverse naturalistic and formal contexts for second language acquisition. It assumes no background in SLA and provides helpful chapter-by-chapter summaries and suggestions for further reading. Ideal as a textbook for students of applied linguistics, foreign language education, TESOL, and education, it is also recommended for students of linguistics, developmental psycholinguistics, psychology, and cognitive science. But when Haven attempts to escape and is caught, one man gives her a choice: go with him or die. Agreeing to leave with Dr. Vincent DeMarco, Haven arrives at his home and meets the doctor's defiant—yet intriguing—son Carmine. Lucifer Ava Martell 2018-01-02 Eons ago, the Devil fell from grace. Now, he might be falling for her. Grace Celestin is no stranger to sin. Working in a dive bar on Bourbon Street will expose a girl to a lot of nastiness. But when a disturbing prophecy leaves her with more questions than answers, the only man who can provide them is more than just a little sinful. He's Lucifer, the Devil himself. Luckily, the Devil's in New Orleans-Hell's on hiatus and the tide of damned souls has dried up, leaving him between jobs. From the moment he bumps into Grace Celestin, however, he thinks he may have found a new one. She's being hunted, and not even voodoo can keep rogue angels off her trail. More intriguing still is the fact that Grace isn't just beautiful-it's that unlike every other human who's ever lived, Lucifer can't read her soul. And if he wants answers, and his throne back, he's going to have to help her get some answers of her own. For the first time since he fell, the Devil has been drawn to the light. And Grace, despite all she knows, finds herself tempted by the darkness.
