Photogrammetric Survey for the Recording and Documentation of Historic Buildings Efstratios Stylianidis 2020-08-16 This book provides state-of-the-art information on photogrammetry for cultural heritage, exploring the problems and presenting solutions that are applicable under real-world conditions and in various disciplines. Allowing readers to gain a basic understanding of cultural heritage documentation and practical image-based modelling techniques, it focuses on the use of photogrammetry to enhance the documentation of historic buildings in order to reflect the international trends and meet demands of the preservation community. Addressing heritage documentation from various perspectives, the book will appeal students and researchers from engineering backgrounds as well as from the arts and humanities.

Nevermore: To the Beams of Darkness Molly Lynn Robinson 2010-10-11 A Choice That Would Determine The Fate Of The World . . . "Author's debut novel is a riveting page-turning that will delight fantasy readers." "In the land of two moons, there were three kingdoms; the Magicians' Plains, the Vampires' Mountains, and the Werewolves' Forests. Each of these groups kept to themselves, and each were separated from the others with natural boundaries. But that all changed when vampires and werewolves declared war on each other. Born during an epic battle between vampires and werewolves, Elizibeth Timberman has no idea of the difficult choice she would have to make someday. When tragedy strikes days before she turns sixteen, she is rescued by a mysterious boy with the magnetic beauty of an angel. She finds herself torn when a newfound friend takes one side while her love takes the other. As she is neither vampire nor werewolf, she must make a choice—a choice that would change everything. Nevermore: To the Beams of Darkness is the story of that choice, of what she turned into, and how one action ended an ongoing battle. Riveting from the first page until the last, this debut novel by Molly Lynn Robinson is sure to delight fans of fantasy, forbidden romance, and adventure stories. The author's masterful storytelling and intriguing plot makes for a truly unforgettable read. Readers won't want to put down this enthralling page-turner."
