Mountains Painted with Turmeric Lil Bahadur Chettri 2007-12-07 Since its publication in the late 1950s, Mountains Painted with Turmeric has struck a chord in the hearts of hundreds of thousands of Nepali readers. Set in the hills of far eastern Nepal, the novel offers readers a window into the lives of the people by depicting in subtle detail the stark realities of village life. Carefully translated from the original text, Mountains Painted with Turmeric tells the story of a peasant farmer named Dhané (which means, ironically, "wealthy one") who is struggling to provide for his wife and son and arrange the marriage of his beautiful younger sister. Unable to keep up with the financial demands of the "big men" who control his village, Dhané and his family suffer one calamity after another, and a series of quarrels with fellow villagers forces them into exile. In haunting prose, Lil Bahadur Chettri portrays the dukha, or suffering and sorrow, endured by ordinary peasants; the exploitation of the poor by the rich and powerful; and the social conservatism that twists a community into punishing a woman for being the victim of a crime. Chettri describes the impoverishment, dispossession, and banishment of Dhané’s family to expose profound divisions between those who prosper and those who are slowly stripped of their meager possessions. Yet he also conveys the warmth and intimacy of village society, from which Dhané and his family are ultimately excluded.

Critical Disability Theory Dianne Pothier 2011-11-01 Despite the widespread belief that Canada is a country of liberty, equality, and inclusiveness, many persons with disabilities experience social exclusion and marginalization. In this book, twenty-four scholars from a variety of disciplines contend that achieving equality for the disabled is not fundamentally a question of medicine or health, nor is it an issue of sensitivity or compassion. Rather, it is a question of politics, and of power and powerlessness. This book argues that we need a new understanding of participatory citizenship that encompasses the disabled, new policies to respond to their needs, and a new vision of their entitlements.

A FLOWER in the midst of thorns Hasta Gautam “Mridul”; Dr.Shingh B 2012-06-06 www.xlibris.com/AFLOWERinthemidstofthorns.html **Staring** Rosemarie Garland-Thomson 2009-04-17 Drawing on examples from art, media, fashion, history and memoir, cultural critic Rosemarie Garland-Thomson tackles a basic human interaction which has remained curiously unexplored, the human stare. In the first book of its kind, Garland-Thomson defines staring, explores the factors that motivate it, and considers the targets and the effects of the stare. While borrowing from psychology and biology to help explain why the impulse to stare is so powerful, she also enlarges and complicates these formulations with examples from the realm of imaginative culture. Featuring over forty illustrations, Staring captures the stimulating combination of symbolic, material and emotional factors that make staring so irresistible while endeavoring to shift the usual response to staring, shame, into an engaged self-consideration. Elegant and provocative, this unique study advances new ways of thinking about visibility and the body that will appeal to readers who are interested in the overlap between the humanities and human behaviors.

On the Edge of the Auspicious Mary M. Cameron 1998 People of lower caste live throughout the villages of Nepal but have been noticeably absent from ethnographic accounts of the Himalayan region. Starting from the perspective of lower-caste Hindu women, Mary M. Cameron offers a long-overdue study of artisans and farmers in western Nepal. On the Edge of the Auspicious skillfully shows the connections between caste hierarchy and gender relations leading to domestic, economic, and religious power of lower-caste women. Situating her study in the history of land ownership and contemporary family and work relations, Cameron explains how and why patriarchal ideology associated with high-caste families in Nepal does not apply to women of lower caste. Drawing on data from work, family, and religious domains, this ethnography goes further than other current studies of caste hierarchy in South Asia to show the everyday material and ideological dimensions of domination and lower-caste people’s resistance to them.. *What’s Your Enneatype? The Guru of Love Samrat Upadhyay 2013-02-01 A New York Times Notable Book: “A ravishingly seductive novel . . . set in contemporary Kathmandu” (Elle). Ramchandra is a math teacher earning a low wage and living in a small apartment with his wife and two children. Moonlighting as a tutor, he engages in an illicit affair with one of his tutees, Malati, a beautiful, impoverished teenager, who is also a new mother. She provides for him what his wife, who comes from a privileged background, does not: desire, mystery, and a simpler life. Just as this Nepalese city struggles with the conflicts of change, Ramchandra must also learn to accommodate both tradition and his very modern desires, in this “gripping” novel by the Whiting Award-winning author of Buddha’s Orphans (The New York Times Book Review). “Utterly absorbing . . . Upadhyay’s lucent and tender storytelling gently unveils the strange interplay between self and family, the private and the political, and most mysteriously, the erotic and the spiritual.” —Booklist “Poignant . . . The Guru of Love effectively weaves together the complicated dichotomies of man and mistress, love and lust, tradition and modernity.” —USA Today “Reads like a graceful, page-turning mixture of stirring romance and social commentary.” —Entertainment Weekly

Arresting God in Kathmandu Samrat Upadhyay 2014-09-23 From “a major new talent” come short stories set in modern Nepal, about arranged marriages, forbidden desires, and the universal yearning for human connection (Amitav Ghosh). Set in a city where gods are omnipresent, privacy is elusive, and family defines identity, these are stories of men and women caught between their own needs and the demands of their society and culture. Psychologically rich and astonishingly acute, with “a masterful narrative style” (Ian MacMillan), Arresting God in Kathmandu introduces a potent new voice in contemporary fiction. “Upadhyay brings to readers the flavor of Nepal and its culture in this impressive collection of nine short stories. Like Ha Jin’s Bridegroom, Upadhyay’s stories portray the lives of simple yet psychologically complex characters and reveal much about the universal human condition in us all. . . . Upadhyay’s stories leave the reader with much food for thought and will make a good choice for book discussion groups.” —Library Journal *Love and Death in Kathmandu* Amy Willesee 2014-05-27 On June 1, 2001, the heir to the Nepalese throne, Crown Prince Dipendra, donned military fatigues, armed himself with automatic weapons, walked in on a quiet family gathering, and, without a word, mowed his family down before turning a gun on himself. But Dipendra did not die immediately, and while lying in a coma was declared king. He was now a living god. Award-winning journalists Amy Willesee and Mark Whittaker set out to understand what could have led to such a devastating tragedy, one that fascinated and appalled the world. Exploring Kathmandu and other parts of the kingdom, they conducted exhaustive interviews with everyone from Maoist guerillas to members and friends of the royal family, gaining insight into the people involved in and the events behind the massacre. At the heart of the story is the love affair between Dipendra and the beautiful aristocrat Devyani Rana, whom he was forbidden to marry. Culminating their portrait of Nepal is a chilling reconstruction of the events of that fatal day. As conspiracy theories circulate and rebels threaten to topple the monarchy, the future of this small Himalayan kingdom promises to be as tumultuous as its past. Revealing a country where the twenty-first century mingles uneasily with the fourteenth, Love and Death in Kathmandu is both an enlightening portrait of a place that is a world apart and a riveting investigation of an incredible crime.

The Royal Ghosts Samrat Upadhyay 2006-02-09 “Startlingly good” stories of Nepali society set against the backdrop of violent Maoist insurgencies (San Francisco Chronicle). From an author like “a Buddhist Chekhov,” The Royal Ghosts features characters trying to reconcile their true desires with the forces at work in Nepali society (San Francisco Chronicle). As political violence rages, these people struggle with their duties to their aging parents, an oppressive caste system, and the complexities of arranged marriage, striving to find peace and connection, and often discovering it in unexpected places. These stories, from the Whiting Award-winning author of Arresting God in Kathmandu and The Guru of Love, brilliantly examine not only Kathmandu during a time of upheaval, crisis, and cultural transformation but

also the effects of the city on the individual consciousness. “Like William Trevor, Samrat Upadhyay compresses into a short story the breadth of vision and human consequence we expect from a novel, and he does so in a prose that seems as natural as breathing.” —Scott Russell Sanders, author of *A Private History of Awe* “Takes us straight into the heart of the troubled and enchanting kingdom of Nepal.” —The Washington Post “Upadhyay’s not-so-simple stories are lucid and often luminous.” —Publishers Weekly

It was published in 1947 in the Nepalese language, Newari, by Chittadhar Hridaya, one of the greatest literary figures of 20th-century Nepal. The text is remarkable for its comprehensiveness, artistry, and nuance. It covers the Buddha’s life from birth to death and conveys his basic teachings with simple clarity. It is also of interest because, where the classical sources are silent, Hridaya inserts details of personal life and cultural context that are Nepalese. The effect is to humanize the founder and add the t.

Nevārīgīṭimañjarī Siegfried Lienhard 1992 A productive and highly important branch of Nevari literature is poetry. The songs reflect the thought of the Nevars, their way of life, religious belief, their history and folklore. The greatest possible variety of genres and styles have been included in the present anthology. Most of the songs included, religious hymns as well as folksongs and ballads, are still very popular among Nevars. In order to facilitate reading and consultation, the whole corpus of the songs collected has been grouped into four principle sections, namely Religious Poetry, Songs about Love and Marriage, Epic Poetry, Didactic and Enigmatic Verses. The book contains two appendices. While the first lists the talas and ragas, as they are given in the various anthologies published in Nepal, the Second makes an attempt to transpose two songs into the European system of music. The translations are quite faithful and every effort has been made to preserve the spirit and flavour of the original. Contents Preface, Introduction, Translation, I. Religious Poetry: 1. Karnali Blues Buddhisagar 2022-05 Karnali Blues, by Buddhisagar, is the most widely read Nepali novel to have appeared in the last twenty years. As it recounts the evolution of a father-son relationship—a son’s search for approval, a father’s small acts of kindness and forgiveness, a son’s fears for his father’s dignity as his fortunes and faculties begin to fail—the reader is deeply drawn into young Brisha Bahadur’s world. His father is kind and idealistic; his mother, though she is kind too, is often frustrated and irascible. The characters in this book are some of the most carefully drawn and authentic in all of Nepali literature. In a backwater district of a country about to undergo radical social, political and cultural change, Brisha’s dreams, his games and his mischief, his loves, his hopes and his fears come alive. Translated from the Nepali by Michael Hutt, this highly original piece of work, with the simplicity of its language and its emotional range, holds the power to take your breath away. Its principal themes—the love between a son and his father, the joys and sorrows of childhood, the daily struggle for survival—are universal, and will resonate with readers the world over.
