Jack Coltrane grew up with his father's red-haired tomboy ward Meredith Fairfax chasing after him, always begging to tag along in his adventures during the years they resided at Coltrane House. Jack was variously annoyed, flattered, and as the years passed and childhood faded, both he and Merry sensed a slow change in their relationship. Friendship, blossoming into love. Love for each other, and a combined love for Coltrane House, fast falling into disrepair by his neglectful father. But one day the estate would be his, and Jack and Merry would make it beautiful again, raise their children there, and live happily ever after. Theirs was the perfect dream, until Jack's father took him aside to tell him something that sent his son fleeing from Coltrane House, away from Merry, perhaps never to return. Ah, love... why is it never easy? Oh...and then there's Jack's quite singular friend from America, and possibly a pair of matchmaking ghosts. Ghosts? Well, certainly - why not? Everyone loves a happy ending! **For a limited time, get two free books from Kasey > bit.ly/kaseymichaels (just copy and paste into your browser)**

Ugly Love Colleen Hoover 2014-08-05 From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

It Ends with Us Colleen Hoover 2020-07-28 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

The Poetic Theology of Love Thomas Hyde 1986 This book argues that current criticism tends to take the mythology of love either too innocently or too skeptically and therefore distorts the complex roles played by the god of love in longer narrative poems and discursive works of the Middle Ages and the Renaissance.

Start with Why Simon Sinek 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

NKJV, Believe, eBook Zondervan, 2015-06-23 It's one thing to know the story of the Bible. It's another thing to live it. Grounded in carefully selected Scripture, *Believe, NKJV* is a unique spiritual growth experience that takes you on a journey to think, act, and be more like Jesus. Pastor Randy Frazee walks you through the ten key beliefs of the Christian faith, the ten key Practices of a Jesus-follower, and the ten key Virtues that characterize someone who is becoming more like Jesus. Every believer needs to ask these three questions: What do I believe? What should I do? Who am I becoming? What you believe in your heart will define who you become. God wants you to become like Jesus - it is the most truthful and powerful way to live - and the

journey to becoming like Jesus begins by thinking like Jesus. When you study the life of Jesus you will notice a distinct pattern: Jesus faithfully lived in a purposeful way. Jesus compared the Christian life to a vine. He is the vine; you are the branches. If you remain in the vine of Christ, over time you will produce amazing and scrumptious fruit at the end of your branches for all to see and taste. You become like Jesus. Each chapter uses short topical passages from the New King James Version (NKJV) to help you live the story of the Bible. As you journey through this Bible, whether in a group or on your own, one simple truth will become undeniably clear: what you believe drives everything.

Spirituality and Your Life Story Bradley Hanson 2014-04-29 Each of us has come to our current life stance through a journey of unique experiences—being born at this time, growing up in this particular social setting and culture, experiencing these specific successes and losses, and having these significant relationships. Whether we are in the early, middle, or latter part of our personal faith story, the ending is still ahead of us—and reviewing our own faith story helps us chart our course into the future. Using psychologist Dan McAdams's idea that we make sense of life by composing our own life story, author Bradley Hanson explores how our personal identity and spirituality are influenced by the meaning and values embedded in our childhood family life and major story lines promoted by our culture. In our most basic quest to make sense of life, he considers sharply contrasting answers to five fundamental questions. With reflection and suggested group discussion questions at the end of each chapter, this study explores the idea that spirituality and one's life story are intimately connected. Praise for *Spirituality and Your Life Story* "Real people tell their stories of success, love, friendship, forgiveness, and loss. Brad Hanson helps us ponder our own deepest commitments and the paths we follow to realize them. A fine book for individual reflection or group discussion." —H. George Anderson, former presiding bishop, Evangelical Lutheran Church in America
