Reset Michael Jones 2016-03-10 Hopelessly in a funk with no apparent way out, mortgage industry veteran, Mark Stiles, grasped desperately to the only thing that could help: CHANGE. For the past few years, Mark has been stuck in a life of mediocrity - unfulfilled and simply getting by..... Slowly, but surely, both his personal and professional lives have derailed and are on a one-way track to disaster. Now, after a chance encounter with an old friend and colleague in the business, Mark is presented with a challenging opportunity that can radically change his life. A change that could not only allow him to achieve his dreams and provide an abundant life for his family, but a change that could inject long-forgotten purpose, meaning and fulfillment back into his career and very soul. Whether you're a mortgage veteran or a newbie to the residential mortgage scene, this book is possibly the answer to your problems! It not only provides solutions to the issues you've faced with loan files, but it outlines a proven, strategic framework for re-structuring your life to reach all the goals you've set for yourself and achieve unlimited success. The only question is: are you prepared to hit the Reset button and change?

This Thing Between Us Holly C. Webb 2017-08 Parker O'Neill is a man with the world at his feet. Son of the CEO of O'Neill's International, he is ready to take over as head of the company, once his father retires in six months' time. However, Parker has earned himself the ultimate playboy reputation, and not everyone thinks he is ready to take control of the company that he was groomed for all his life. Given an ultimatum that he has to settle down if he wants to take over from his father; Parker decided the only way to solve his problem, is to pay someone to play the part of his dutiful wife. Alice Whitman is a hard working girl, with a kind heart. Raised by her grandmother after losing her parents, she knows what it's like to lose everything. Sophia, Alice's grandmother, is getting older and growing weaker by the day. Alice is the only one Sophia has, so it falls to her to do whatever it takes to help her beloved Gram. When Parker makes Alice an offer he thinks she can't refuse, he is stunned to find that money doesn't always mean you get your own way. However, Alice soon realizes Parker might be the one person that can help her when she needs it most. Can they make their arrangement work without anyone finding out the truth, or will this thing between them turn into something neither of them expected it to be?

Faith Colors Lula Adams 2014-06-30 Miracles happen today. Do you want to increase your faith? Read about miracles. True stories of God's faithfulness, love, and power are woven together with art, poetry and scripture into a tapestry made of the colors of the rainbow that demonstrate the many aspects of faith. A woman finds herself in a car accident on a lonely Nevada highway gazing at her two daughters sprawled on the road. She screams in terror for help. Someone places a white gold cross in the palm of her hand. This changes everything. "A White Gold Cross," one of the true stories found in "Faith Colors, Encounters with God in Living Faith," explores the power of faith in God to transform the outcome of a terrible crisis. This story is found in the section called White Faith, the kind of faith that strengthens the inner heart to persevere. A son prays in earnest

while the emergency team from the fire station try to revive his father. After the paramedics give up and permission is granted to stop CPR, the father miraculously begins to breathe on his own. But will he survive long enough to take care of his unfinished business? This story is found under Blue Faith, the kind of faith that looks up from a dark pit to find hope. These testimonies and others, including some of the author's own experiences, are grouped into the colors of the rainbow to highlight important aspects of faith. Poems and prophetic art, intensifying the impact of the messages, are found throughout the book. Each color section concludes with a prayer to draw the reader's heart closer to God. Scriptures and colorful prophetic pictures featured in this book highlight significant attributes of faith that are bound to spark hope in God and His promises found in the Bible. **The New Codependency** Melody Beattie 2008-12-30 In Codependent No More, Melody Beattie introduced the world to the term codependency. Now a modern classic, this book established Beattie as a pioneer in self-help literature and endeared her to millions of readers who longed for healthier relationships. Twenty-five years later concepts such as self-care and setting boundaries have become entrenched in mainstream culture. Now Beattie has written a followup volume, *The New Codependency*, which clears up misconceptions about codependency, identifies how codependent behavior has changed, and provides a new generation with a road map to wellness. The question remains: What is and what is not codependency? Beattie here reminds us that much of codependency is normal behavior. It's about crossing lines. There are times we do too much, care too much, feel too little, or overly engage. Feeling resentment after giving is not the same as heartfelt generosity. Narcissism and self-love, enabling and nurturing, and controlling and setting boundaries are not interchangeable terms. In *The New Codependency*, Beattie explores these differences, effectively invoking her own inspiring story and those of others, to empower us to step out of the victim role forever. Codependency, she shows, is not an illness but rather a series of behaviors that once broken down and analyzed can be successfully combated. Each section offers an overview of and a series of activities pertaining to a particular behavior -- caretaking, controlling, manipulation, denial, repression, etc. -- enabling us to personalize our own step-by-step guide to wellness. These sections, in conjunction with a series of tests allowing us to assess the level of our codependent behavior, demonstrate that while it may not seem possible now, we have the power to take care of ourselves, no matter what we are experiencing. Punctuated with Beattie's renowned candor and intuitive wisdom, *The New Codependency* is an owner's manual to learning to be who we are and gives us the tools necessary to reclaim our lives by renouncing unhealthy practices.

Becoming Zara Lillianna Blake 2015-06-18 FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

Christmas Stories for Children and Adults Margaret McBride 2016-12-02 Short Christmas stories for children and adults. These short stories were written for Christian adults to read to children. Does the real meaning of Christmas still exist in the hearts of children and adults today? For our family, Santa Claus is alive to remind us about the greatest gift God ever gave the world, his son Jesus Christ. Christmas stories from all over the planet written in the past and the present have taught us lessons about love, sharing, and caring, the lessons Christ modeled every day. We hope that our stories will remind our readers that Christ is very much alive today, impacting every aspect of our lives, not just at Christmas. Opening our hearts to God's light can make miracles happen when we least expect it. Learning to believe and grow in Christ does not just happen in Church, it can happen under a Christmas tree!

Make Miracles in Forty Days Melody Beattie 2010-11-30 If you could ask for a miracle right now, what would it be? We've all had situations in our lives that seem beyond our control or that have no clear remedy. In this concise, inspirational guide, bestselling self-help guru Melody Beattie shows us that we have the ability to make a miracle for almost any circumstance we're facing. Beattie, a trusted counselor for millions of readers, has shared her own stirring stories of overcoming obstacles and dealing with life's tragedies for more than twenty-five years. In *Make Miracles in Forty Days* she now offers the ultimate distillation of what she knows about gratitude, surrender, and connecting with our essential power. She challenges us to be more present each day and details a six-week action plan, the Miracle Exercise, to jump-start transformation in our lives. After completing a series of activities, we'll establish what miracles we'd like to create, and then she'll walk us through practicing this innovative exercise alone, with a partner, and even with our children. Beattie instructs us to be thankful for everything in our lives and for how we're really feeling; we need to express gratitude for what we have and who we are, not just for our obvious blessings. It is crucial that we are grateful for recognizing what is upsetting and bothering us. Through acknowledging the pain that we're feeling, we can excise any denial or resistance that is holding us back. As we progress over the forty days, instead of feeling lost, numb, or confused, we'll become more conscious, aware, and alive. Our miracle will begin to materialize. Along the way, Beattie reveals her own experiences of making miracles, individually and through working with a partner, and those of the participants in her Miracle Workshop. She shares moving stories of overcoming hardship and finding acceptance and forgiveness, and inspires us to move forward with a renewed vigor for life.

I Am Not Robert E. Draper 2014-03-20 "I Am Not" is author Robert E. Draper's attempt to provide insight into our age-old plight of finding ourselves "strangers in a strange land," as well as into the great difficulty we all have in accepting that if we are living in a world of virtual insanity, we are-at least partly-insane too. According to the author, this world is a dystopian battleground, a product of a collective amnesia that has burdened us all with the difficult task of living coherently while working our way back to the awareness of what we are: united; yet believing we are what we are not: separated-all of our hearts breaking over what we know not. The central theme of "I Am Not" is recognizing the futility of our efforts to improve the trap we appear to be in, redirecting those efforts to the goal of waking up to what we are doing, saving not the world but ourselves. Only thus can we reverse our own course into madness, finding-and demonstrating-there is hope within, right in the middle of a place where there is

none to be found without.

Choices Melody Beattie 2009-10-13 "Melody Beattie gives you the tools to discover the magnificence and splendor of your being." – Deepak Chopra, author of *Jesus and Buddha* "Beattie understands being overboard, which helps her throw bestselling lifelines to those still adrift." – Time magazine From the New York Times bestselling author of *Codependent No More*, *The Language of Letting Go*, *Finding Your Way Home*, *Journey to the Heart*, and *Stop Being Mean to Yourself*, comes *Choices*: powerful wisdom and insight about how to make the best choices in our lives from the author who revolutionized how we look at relationships.

40 Days for Life David Bereit 2013-01-15 As America marks the 40th anniversary of the Roe v. Wade Supreme Court decision this year, abortion has become the leading cause of death in our nation and worldwide, ending the lives of more than 42 million children each year and harming millions of women – and men. In the midst of this global crisis, there is new hope. Beginning with one hour of prayer in Texas in 2004, the groundbreaking 40 Days for Life movement of prayer and fasting, peaceful vigils, and community outreach has mobilized more than half a million volunteers in 481 cities around the world. 6,749 babies have been spared from abortion. 75 abortion workers have had a change of heart and quit their jobs. 25 abortion centers have closed. And every baby, every changed heart, every closure is an amazing story. This book contains forty of those stories: • Hearts changed on the most controversial issue in our culture • Babies and mothers spared from abortion at the last possible second • Shocking secrets from inside the abortion industry – revealed • Abortion workers experiencing a change of heart and quitting their jobs • Thriving abortion facilities shutting down for good

Overcoming Me Jewel Adams 2015-01-01 God loves us and has a plan for us. Every human being is a part in that plan. There is opposition in all things, and overcoming trials is one of the most important lessons we can learn. It took me a long time to figure this out and I am grateful for what I have learned. But those lessons did not come without a price. In this little book, I will humbly share some of what I have learned.

Remember Who You Truly Are Sally Jane Francis 2016-04-27 This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You

are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

God, Take Over; I Am Finished Catherine Agada 2013-07 In every trial or tribulation, there is an opportunity that can bring us closer to God and to our goals when we allow God to take control. *God, Take Over; I Am Finished* is a cry for mercy and divine intervention when suffering seems unfair and you realize that no one else can help you. A dry valley and wilderness experience story, based on the author's tribulations and triumphs as she struggled, willingly and sometimes unwillingly, to submit to God's will. It reveals how she passed through the storm and survived and what she gained out of the pains she had to endure. Its principal message lies in the realization and fact that where human senses, strength, power, abilities, knowledge, and intelligence end, God's supremacy begins. By applying her experiences and the Word of God, Catherine Agada shows you how to discover divine strength in weakness; peace in chaos, and His love in suffering. She inspires and teaches you to love better, live happier, forgive faster, pray efficiently, and increase faith. *God, Take Over; I Am Finished* can restore hope and improve your relationships with God and man.

Late Bloomer Carol Tyler 2005-01-01 Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as *Weirdo*, *Wimmen's Comix*, and *Drawn & Quarterly* magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Echoes in the Storm Max Henry 2017-09-12 One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

May Cause Miracles Gabrielle Bernstein 2014-01-14 Offering a plan for releasing fear and embracing gratitude, reveals how simple, consistent shifts in our thinking and actions can lead to miraculous changes in daily life.

Make Miracles in Forty Days Melody Beattie 2011-12-06 Counsels readers on how to transform their lives for the better, sharing anecdotes about experiences with grief and loss while outlining a six-week plan for achieving gratitude and enabling change.

It's Not It Antonio Almeida 2012-06-01 You cannot escape the results of your thoughts. What you are thinking plays out in your life. If your thoughts are full of anger, you will experience anger in your life. Adversely if you understand absolute love and live it, you will find peace and joy. The suffering we experience, is mainly due to our holding on to past pains, resentments, and anger. As long as we remain in the past in our thinking, we will suffer. As long as the cultures across the globe remain locked into systems, which no longer work for

their citizens the people of this world will continue to suffer. You have the miracle of mind in your grasp. Change your perception, and how you identify with life and you will be the revolution that is needed. This book explores the areas of life, which keep you in bondage, and slavery. It shows you how with thinking alone you can free yourself, and family. The bumps in the road, the heartache, and suffering can be eliminated out of your life. It is the Miracles of Mind, which allow this to happen. Join with me in this most timely journey. This is a journey to create miracles for all and eliminate suffering.

Desert Journal Ruth Weiss 2012-04-03 Poetry. Drawings by Paul Blake. Originally published in 1977 by Good Gay Poets of Boston. "A book whose page has come. ruth weiss has been sounding these poems, alone or with jazz accompaniment, for many years. It's now ocheny chorosho that they appear for the senses of those potential poets searching for new modulations of expression; for her poems are of the rhythms of our time and the interlaced, repetitive subtleties are sewn by that 'thread for those who breathe in rags' (Vallejo) which bespeaks and sings the deep loom of the bronze lotus."—Jack Hirschman
