The Legends of Khasak O V Vijayan 2008-05-14 A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the

traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and

threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

Govardhan's Travels P
Sachidanandan 2007-01-08
'The most memorable literary event of my experience . . . Govardhan is that common man who seeks justice from history, from time and society and is punished. Govardhan is everyman. He is a survivor and his story is everyman's story.' — Mahasveta Devi
Halfway through his famous play on injustice, *Andher Nagari Choupat Raja*, Bharatendu Harishchandra stops: What is the duty of a writer—to depict reality as it exists or to project what it should actually be? Unable

to decide, Bharatendu abandons the play and releases Govardhan, the main character who is unjustly condemned to death, from drama to real life. The noose still hangs over Govardhan's head as he walks out of prison as a representative of all those who are victims of the ruthlessness and absurdity of justice. He questions everyone he encounters and raises a storm which gains momentum as he journeys through space and time. The lines between fact and fiction blur as a host of people from mythology, history and literature join him, some asking questions, like him, and others opposing them. As we follow Govardhan's meanderings, we realize that his journey will never end, for with the passage of time he will find more places to visit and more people to meet, even as the ever-present noose tightens around his neck. Ultimately, there can be no escape for the Govardhans

of this PBI - World. Anand's imaginative recreation of Govardhan's life after his release from prison maintains the farcical nature of Bharatendu's work, although it moves away from the comfortable ending of Andher Nagari Choupat Raja. It provides a terrifying portrait of the cruelty and irrationality of the PBI - World which we contend as civilized.

The Bells are Ringing in Haridwar M Mukundan

2020-02-20 M. Mukundan has been called the 'Writer of Mayyazhi' and some of his best-known works have as their background, Mayyazhi, that small area in Kerala which is still French at heart. And yet he spent a large part of his life in Delhi and a number of his powerful works are set in that place and speak of its people. Haridwaril Manikal Muzhangunnu came out in 1972 to loud acclaim and

louder criticism. It spoke to the alienated youth of the late 1960s and early 1970s; and the criticism was because it seemed to glorify the use of drugs and a way of life that was considered immoral then. With Ramesh and Suja, we travel to ancient Haridwar where the Ganga came to earth, where the marks made by Bhageeratha's chariot wheels can still be seen and Bhima's sweat can still be tasted in the water of the pond dug by him. Ramesh finds himself unable to resist the call of the bells of Haridwar. The other two novellas take us back to Mayyazhi, the small piece of land where time has stood still for decades. Both the stories speak of the man of rectitude face to face with his baser instincts, his natural instincts. Meetheledath Ravunni is led astray by the sight of the girdle that encircles Savitri's slim waist and descends to an animal-like existence. As for

Kunhikrishnan Thampuran, the honeyed skin of the oil-miller's wife reduces him finally to an innocence that is child-like, unselfconscious.

Meera 2015-06-18 The powerful memory of a former love rules Radhika's inner world as she builds a small-time practice in Law, and attempts normalcy in a marriage she neither wanted nor resisted. Raped at age ten, raped again as a young collegiate, she is abandoned twice: first by her father and later by Christy who loved her, but takes her through a wedding ceremony only to leave her later the same day. When Christy returns sixteen years later, shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colours that paint this picture of physical and emotional violence that Radhika endures. *Mary Queen of Scotland and The Isles* Margaret George 2010-02-01 Margaret

George's exhaustively researched novel skillfully weaves both historical fact and plausible fiction in bringing the story of Mary Queen of Scots to life. She was a child crowned a queen.... A sinner hailed as a saint.... A lover denounced as a whore... A woman murdered for her dreams... Margaret George's *Mary Queen of Scotland and the Isles* brings to life the fascinating story of Mary, who became the Queen of Scots when she was only six days old. Raised in the glittering French court, returning to Scotland to rule as a Catholic monarch over a newly Protestant country, and executed like a criminal in Queen Elizabeth's England, Queen Mary lived a life like no other, and Margaret George weaves the facts into a stunning work of historical fiction. to a remarkable queen." --

The Dialectic of

Historicity in Modernist Fiction

Swapna Gopinath
2017-12-15 Modernism when viewed through the spectacles of Marxian aesthetics emerges as a problematic artistic movement, especially when placed within the context of social structures that define the cultural practices at any given point in time. The much discussed debate within the Marxist canon regarding the dialectic relationship between society and art in the context of modernism had stalwarts of Marxist criticism deliberating this relationship between art and society. From Europe, modernism spread to other parts of the world, including India where it captured the imagination of the writers of regional languages as well. In Kerala, with its staunch Marxian perspectives and its supporters including a faithful political network of leaders and followers, modernism invited heated debates of a similar nature.

A debate was triggered off challenging the ideological frameworks of modernist aesthetics with a large part of the intelligentsia actively participating in it. Kerala Kaumudi magazine published these arguments as a series, leading to further discussions in the cultural and political discourses that shaped the sensibility of the times. This book is an attempt to explore this relationship with these debates and discussions as referral points. To substantiate the arguments, four texts that emerged as iconic texts are studied - O V Vijayan's The Legends of Khasak (1969) and The Saga of Dharmapuri (1985) and M Mukundan's On the Banks of Mayyazhi (1974) and God's Mischief (1989).

The Train That Had Wings

M. Mukundan 2020-09-03

The Train That Had Wings presents modern life in Kerala in terms of a shared but tragically compromised humanity. Mukundan dares to look beneath the routines and facades of everyday life in order to probe depth of sin, greed, and hypocrisy but also to rediscover what brings joy and hope. Sixteen short story translations and a critical introduction, offering examples of Mukundan's realistic, existentialist, psychedelic, and parabolic stories, show his range and talent for the

very short story. If Hawthorne wrote "twice told tales," Mukundan writes half-told tales, stories that jump in the middle, stomp around for just a minute, and leap away almost before the reader can settle in. Half-told, but a powerful and infectious half.

2021-08 On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mehan's is the tale of an uprooted life, told here through the contemporary lens of Rupī Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes Budhini with vigour, authority and panache,

conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely individualistic novelist herself, Sarah Joseph's Budhini powerfully invokes the wider biopolitics of our relentless modernization and the dangers of being indifferent to ecological realities.

Space and Language in Architectural Education

Kasia Nawratek 2022-05-02

Architects habitually disregard disciplinary boundaries of their profession in search for synergies and inspiration. The realm of language, although not considered to be architects' natural environment, opens opportunities to further stretch and expand the architectural imagination and the set of tools used in the design process. When used in the context of architectural pedagogy, the exploration of the relationship between space and language opens the discussion further to include the reflection on the design studio structure, the learning process in creative subjects and the ethical dimension of architectural education. This book offers a glimpse into architectural

pedagogies exploring the relationship between space and language, using literary methods and linguistic experiments. The examples discuss a wide range of approaches from international perspective, exploring opportunities and challenges of engaging literary methods and linguistic experiments in architectural education. The theme of Catalysts discusses the use of literary methods in architectural pedagogy, where literary texts are used to jumpstart and support the design process, resulting in deeply contextual approaches capable of subverting embedded hierarchies of the design studio. Tensions explore the gap between the world and its description, employing linguistic experiments and literary methods to enrich and expand the architectural vocabulary to include the experience of space in its infinite complexity. This book will be useful for

innovators in architectural education and those seeking to expand their teaching practice to incorporate literary methods, and to creatives interested in making teaching a part of their practice. It may also appeal to students from design-based disciplines with an established design studio culture, demonstrating how to use narrative, poetry and literature to expand and feed your imagination.

Mapping the Postcolonial Domestic in the Works of Vargas Llosa and Mukundan

Minu Susan Koshiy 2020-12-16 This book is among the first works to engage with postcolonialism through the lens of the domestic in its totality, encompassing multifarious aspects such as domestic space, objects, family and

servitude among others.

The study foregrounds the inadequacy of Western theories on the domestic in explaining the postcolonial situation, and proposes alternate methods of analysing the 'inner' realm of colonial experience. Structured within the framework of comparative literary studies, the work serves to contribute to the tri-continental model of comparative literature, establishing mutually illuminating connections between the continents. The study provides scope for a widening of the epistemological base of critical inquiry, especially in the domains of postcolonialism, area studies and comparative literature. It explores new avenues in cross-cultural studies, contributing to the transnational diffusion of cultures and literatures, by focusing on what has been termed 'minor'—the domestic and its rhythms in postcolonial cultures.

A Preface to Man Subhash

Chandran 2019-01-25 Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in them the social and political events of the time. As she ponders over the writing and the years

that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's One Hundred Years of Solitude and has the scale of Sunil Gangopadhyay's Those Days. Manushyanu Oru Amukham is an artistic meditation on human existence and is a contemporary classic. Agnisakshi Lalitāmbika Antarjjanam 2015 The only novel of one of Kerala's leading women writers, Lalithambika Antharjanam's Agnisakshi is a telling account of a woman's life glowing as though purified

in the "fire of sacrifice". Set against the history of Kerala, and life, customs, habits, and culture of the Namboodiri community, along with the fervent cries of the Indian National Freedom struggle, the characters act out their unforgettable roles: Tethi, the dazzling but disappointed bride who renounces worldly life; Unni Namboodiri, whose adherence to the Vedic way of life destroys his personal happiness; and Thankam, Unni's Nair cousin and the mighty Aphan Namboodiri's daughter, seeking her own liberation from the past. True to the lyrical and emotional tone of the original, Vasanthi Sankaranarayanan's translation offers a moving portrait of upper-class, upper-caste Kerala society just before and after Independence.

Anglo-Indian Identity

Robyn Andrews 2021-03-21
Revisionist in approach, global in scope, and a seminal contribution to scholarship, this original and thought-provoking book critiques traditional notions about Anglo-Indians, a mixed descent minority community from India. It interrogates traditional notions about Anglo-Indian identity from a range of disciplines, perspectives and locations. This work situates itself as a transnational intermediary, identifying convergences and bridging scholarship on Anglo-Indian studies in India and the diaspora. Anglo-Indian identity is presented as hybridised and fluid and is seen as being representative, performative, affective and experiential through different interpretative theoretical frameworks and methodologies. Uniquely, this book is an international collaborative effort by leading scholars in Anglo-Indian Studies, and

examines the community in India and diverse diasporic locations such as New Zealand, Britain, Australia, Pakistan and Burma.

Cat People Devapriya Roy 2021-12-22 In Karachi, a writer house-sits for her father and his cat, while keeping track of his - the cat's - list of obsessions: ironed white sheets, kheer, KFC fries, warm custard, finely chopped sausages, and the flaky tops of chicken patties. In San Francisco, a couple adopt a cat, without anticipating what it will do to their relationship. In Noida, a cat and two dogs line up peacefully every morning for their daily dose of

vitamin syrup. In Bombay, a lyricist and screenwriter roots through the litter tray first thing in the morning, to investigate if his cat's UTI is better. In wintry London, a young millennial wonders if she is actually a cat.

Capturing the many moods of felines and their humans, in many forms and voices, *Cat People*, is a timely celebration of the most memed creature today: the cat. This collection of short stories, personal essays, lists, original art and photographs is a treat, not just for cat lovers everywhere, but for all who love a story well-told - and, on occasion, a theory well-spun.
