their own, building a bridge between the classroom and the home. A Bonus Gazette Audio CD included with the text offers entertaining radio program-style recordings of Gazette activities. The Activity & Test Prep Workbook offers all-skills practice, GrammarRaps, and unit achievement tests.

New Headway: Beginner: Workbook

(without Key) Liz Soars 2002-01-24 New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.

Salt Leslie Bilderback 2016-09-06 Salt has been an essential dining element since the invention of the kitchen table. But today, specialty salts come in a vast variety of forms and flavors. Smokey salts, salts infused with clay or charcoal, herby and spicy salts, salt with extra umami or a hint of sugar are being added to many recipes, to layer more flavor, and not simply to enhance the flavors already there. It's a feast for the tongue, and colorful salts also add visual interest to dishes, and the varying textures add crunch. But how do you decide which to buy—and how do you get the most out of them once you've brought them back home to your kitchen? Salt will show you how to choose and how use them in simple, delicious recipes for every meal of the day. You will learn how to cook, cure, and bake with them. Plus, you'll find a market guide that describes the different types of specialty and infused salts, discover ways to cook with salt blocks, and even how to organize your own salt tasting at home. More than 100 mouthwatering recipes—plus nearly 50 varieties of infused salts—with beautiful, full-color photography will help you transform this classic, humble ingredient into a star seasoning.
