Officer-Involved Shootings: A Guide for Law Enforcement ...

A 2011 Bureau of Justice Statistics study
estimated that police in the United States make
63 million face-to-face contacts with the public
annually. 2. Only one percent of these citizens
report that the police subjected them to the

threat or use of force, and the majority of those
cases involve levels of force at . the lower end of
the spectrum.

Framework for Program Evaluation in Public Health - Centers ...

Health improvement is what public health
professionals strive to achieve. To reach this
goal, we must devote our skill — and our will —
to evaluating the effects of public health actions.
As the targets of public health actions have
expanded beyond infec-tious diseases to include
chronic diseases, violence, emerging pathogens,
threats of
