Hardbound books, teacups, and quill pens fly in the face of her e-reader, coffee, and smartphone... ..Until she sees Julian take his tight breeches off for his *Undressing Mr. Darcy* show, an educational "striptease" down to his drawers to promote his book and help save his crumbling estate. The public relations expert suddenly realizes things have gotten...personal. But can this old-fashioned man claim her heart without so much as a GPS? It will take three festivals filled with Austen fans, a trip to England, an old frenemy, and a flirtatious pirate re-enactor to find out...
