

Resonating Souls Bermuda Nights 1 Ophelia Sikes

When people should go to the book stores, search inauguration by shop, shelf by shelf, it is in reality problematic. This is why we give the books compilations in this website. It will unquestionably ease you to see guide **Resonating Souls Bermuda Nights 1 Ophelia Sikes** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you intend to download and install the Resonating Souls Bermuda Nights 1 Ophelia Sikes, it is unquestionably simple then, previously currently we extend the associate to buy and create bargains to download and install Resonating Souls Bermuda Nights 1 Ophelia Sikes so simple!

Resonating Souls - a Bermuda Nights novella Ophelia Sikes Amanda desperately needed to get away. Her whole life had been about pleasing others - her straight-laced parents, her rule-bound teachers. When her best friend, Kayla, suggested they hop a cruise from Boston to Bermuda, Amanda leapt at the chance. This was her one chance to light the night on fire. And then Evan stepped on stage. Evan was exactly the type her country-club parents would have disapproved of. Ripped abs and soul-deep eyes. Lightning-fast fists. One glance and she knew she had to be his - if just for these seven brief, torturously-exquisite days. And, oh, Evan could play her. His fingers were connoisseurs of her body, drawing out her deeper notes, sending her soaring to heights she barely knew existed. She lost all sense of self, of rules. Until the day she saw what she was never meant to see - and her world changed forever. * * * Half of all proceeds of this novella benefit battered women's shelters. Resonating Souls is the first of four novellas in the Bermuda Nights series. Due to the strong sexual content and adult situations, this romantic suspense story is recommended for readers aged 17+. The first three novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after. Ophelia adores Boston and has lived in the region for nearly all her adult life. She's worked in Cambridge, hanging out at the Irish pubs and watching sculling on the Charles. She was at the first Celtics game at the Fleet Center and has pub-hopped her way down Lansdowne Street behind Fenway Park. She's seen the Nutcracker at the Wang and savored Locke-Ober before they closed. Ophelia's been on the Boston to Bermuda cruise ship run three times and highly recommends the adventure! Most of all, Ophelia cherishes the spirit of Boston - a unique city unlike any other in the world. Boston Strong.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Dentists Mary Meinking 2020-08 Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

Birth of a Spy Duncan Swindells 2019-02-11 Out of work Cambridge graduate Scott Hunter breaks Second World War Enigma codes... for fun. His girlfriend is desperate for him to find a job and settle down, so when a fresh code lands unexpectedly on Scott's doorstep, he promises it will be his last, little realising that revealing the dark secrets it has protected for over fifty years will shatter their lives forever.

Warning Miracle

Estimating Market Value and Establishing Market Rent at Small Airports Aviation Management Consulting Group, Inc 2020 "Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

The Bermuda Project Shelbi Wescott 2020-01-09 In Book 5 of the Virulent Chronicles...Not all will survive. There is no more hiding. Blair is ready to challenge her father's power with the only weapon she has: The Bermuda Project. However, the plan to send Thea as acting director to her mother's army hits turbulence when she is pulled into an underground network of spies and traitors determined to see Huck's Islands crumble. And in the Bayou, painful past decisions and internal divisions haunt the King family while they plan their next steps. Maxine is impressed by Octavia's strength and resilience but challenges Kozo and Lark's requests to accompany the girl on her mission to Bermuda. Arguments brew and plots scheme, but the lingering question on their minds is: Will they ever see Lucy, Grant, Darla, or Theo again?

The Grace Walk Experience Steve McVey 2008-03-01 For years, Steve McVey's Grace Walk (more than 200,000 copies sold) has inspired Christians to leave behind a performance and fear-based faith to embrace a faith lived in abundance and grace. Now The Grace Walk Experience workbook helps readers move that message of hope from their heads to their hearts as they explore eight truths that have changed lives worldwide daily, interactive studies that reveal grace as much more than a doctrine ways to quit "doing" for God so that He can live through them illustrations of the wonder and miracle of faith as God intended God's Word, salvation, and evangelism with new perspective This excellent tool for church classes, small group discussion, and individual study will lead believers to understand their identity in Christ, let go of legalism, and make room for the overflowing love, mercy, and purpose of life lived wholly in God's grace.

The Victim's Wife Dan Decker 2020-12-23 A MYSTERIOUS WIDOW...Criminal defense attorney Mitch Turner loves a challenge and is always determined to see that justice is done. He also has more cases than he can handle, but when the mysterious and grief-stricken Penny Moyer enters his office one afternoon, right as he is in the middle of working on a tight deadline, the story she tells intrigues him.With her husband murdered just the night before and his business associate Mason Harwood now charged for the crime, Penny is convinced Mason was set up for the job by the manipulative Vivian Fuger, another business partner.A MANIPULATIVE BUSINESS PARTNER...With little to go on other than Penny's hunch, Mitch is intrigued enough to look into the case, tempted by her offer to pay double his usual fee. But as he digs deep into the murk of her allegations, it becomes clear that all is not as it seems, and the identity of the true villain is shrouded in secrecy.MITCH TURNER'S SEARCH FOR JUSTICE.Now Mitch's good name and his solid reputation could be on the line as a finely tuned plot is carefully untwined. He knows that one mistake or one wrong decision could spell disaster for him and his firm, but the will to see justice done is too powerful to ignore.Can Mitch uncover the real killer and save himself from ridicule? Or has he finally encountered a mind that is more capable than his own?Pick up your copy today to find out!Sneak Peek"She's in tears," Denise whispered. "I think she needs some real help."If Denise was hoping to convince me, she was going about it the wrong way. The last thing I needed right now was some random walk-in bubbling over with grief while I had a motion that I was concerned about getting filed."Did she say what it was about?" I finally asked, trying to keep the irritation from showing in my voice but only half succeeding."No, she didn't."I hesitated, wondering if I even wanted to take on another case at the moment. I had a full docket, so to speak, more work than I really needed. I supposed it was a good thing that I was so busy that I had the option of turning down cases.A sob came through the phone,

and my heart wrenched.Why did I have to hear her cry? My instinct had been to tell Denise to send the person to somebody else, but that gut-wrenching sound was going to haunt me the rest of the afternoon unless I did something about it.I glanced at my watch again, and even though it was a significant motion that I still had not thoroughly researched, I knew now that my only way out was to meet with the woman and handle it from there. My conscience would not allow me to do otherwise at this point."Mitch, are you there?" Denise asked."Send her in. I'll talk to her for a minute."

The Unknown Paintings of Kay Nielsen Kay Rasmus Nielsen 1977

Triangle of Treason Bob Richards 2021-07-06 Triangle of Treason takes us on an exciting journey though a momentous period in Bermuda's history. Retired Captain Rodney Horatio Grant RN, through a German friend, meets Hitler and soon finds himself embroiled in treason and murder as a dedicated spy for the Third Reich. Alongside this story of espionage and violence we meet Alan (Hooks) Jones, Bermuda ferryboat pilot and devoted family man. He makes friends with newly deployed Lieutenant Harley Harvey, call sign 'Swordfish'. We follow Swordfish as he falls in love with Hooks' daughter Becky, and so we learn of the difficulties endured in those days by an interracial couple striving to keep their relationship secret. Upon uncovering the truth about Captain Grant, Swordfish and Hooks embark on a nail-biting mission to bring him down. Their adventures leave Hooks famous on the Island and Swordfish a war hero. Triangle of Treason keeps us absorbed from beginning to end. By the time you have finished you will want to visit Bermuda.

Bermuda Voyagers II Leslie Bond 2016-02-11 A fiction Book that tells the facts about the lost ship USS Cyclops, then adds the fiction side of the story using the crew members, and the ultimate fate of the ship, and the it's crew.

Encyclopedia of Television Film Directors Jerry Roberts 2009-06-05 From live productions of the 1950s like Requiem for a Heavyweight to big budget mini-series like Band of Brothers, long-form television programs have been helmed by some of the most creative and accomplished names in directing. Encyclopedia of Television Film Directors brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much-needed reference that celebrates these often-neglected artists, Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium.

The Bermuda Privateer William Westbrook 2018-11-15 "1796. Captain of the fast, beautiful, and deadly Bermuda schooner Sea Dog, Nicholas Fallon sails the Caribbean protecting his employer's lucrative salt business and capturing Britain's enemies with his best friend and first mate, Beauty McFarland. The Sea Dog also faces a thieving pirate, warships, treasure ships, an incompetent Royal Navy captain, and a massive hurricane"--

The Word Rhythm Dictionary Timothy Polashek 2014-04-18 This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

Bermuda-Pathway to Terror Edward Johnson 2015-04-07 Dr. Michael A. MacManus, a former army intelligence analyst and Arabic linguist, is an internationally known expert on terrorism and the Middle East and ad hoc advisor to the director of Homeland Security and the president of the United States. In high school in 1969 and early 1970, Mike dated Jan Friedman, reared in an orthodox Jewish home. The two, very much in love, lost contact with each other for over thirty years when Jan's family relocated suddenly to New York in the summer of 1970. Early on a Tuesday afternoon in May, about to board a cruise ship to Bermuda, Mike and Jan meet. Mike recognizes her immediately, and after he introduces himself, she recognizes him. As they become reacquainted, Mike, a devout Christian, finds himself falling in love with Jan all over again. Mike understands the Biblical ban on "unequally yoking" oneself with someone who is not a believer. In a restaurant in Bermuda, Jan and Mike overhear a conversation between four members of an Al Qaeda cell, three of whom Mike recognizes. The four are discussing their plot to smuggle four dirty bombs containing VX nerve gas and detonate them in New York Harbor. Bermuda-Pathway to Terror tells of their attempts to capture the terrorists and thwart the attack on New York.

Intelligent Projects Using Python Santanu Pattanayak 2019-01-31 Implement machine learning and deep learning methodologies to build smart, cognitive AI projects using Python Key FeaturesA go-to guide to help you master AI algorithms and concepts8 real-world projects tackling different challenges in healthcare, e-commerce, and surveillanceUse TensorFlow, Keras, and other Python libraries to implement smart AI applicationsBook Description This book will be a perfect companion if you want to build insightful projects from leading AI domains using Python. The book covers detailed implementation of projects from all the core disciplines of AI. We start by covering the basics of how to create smart systems using machine learning and deep learning techniques. You will assimilate various neural network architectures such as CNN, RNN, LSTM, to solve critical new world challenges. You will learn to train a model to detect diabetic retinopathy conditions in the human eye and create an intelligent system for performing a video-to-text translation. You will use the transfer learning technique in the healthcare domain and implement style transfer using GANs. Later you will learn to build AI-based recommendation systems, a mobile app for sentiment analysis and a powerful chatbot for carrying customer services. You will implement AI techniques in the cybersecurity domain to generate Captchas. Later you will train and build autonomous vehicles to self-drive using reinforcement learning. You will be using libraries from the Python ecosystem such as TensorFlow, Keras and more to bring the core aspects of machine learning, deep learning, and AI. By the end of this book, you will be skilled to build your own smart models for tackling any kind of AI problems without any hassle. What you will learnBuild an intelligent machine translation system using seq-2-seq neural translation machinesCreate AI applications using GAN and deploy smart mobile apps using TensorFlowTranslate videos into text using CNN and RNNImplement smart AI Chatbots, and integrate and extend them in several domainsCreate smart reinforcement, learning-based applications using Q-LearningBreak and generate CAPTCHA using Deep Learning and Adversarial Learning Who this book is for This book is intended for data

scientists, machine learning professionals, and deep learning practitioners who are ready to extend their knowledge and potential in AI. If you want to build real-life smart systems to play a crucial role in every complex domain, then this book is what you need. Knowledge of Python programming and a familiarity with basic machine learning and deep learning concepts are expected to help you get the most out of the book

[Destiny in Rome](#) Frances Carfi Matranga 1979

[John Suggs Hoyt Watts](#) 2021-06-03 The story I am going to tell you about is the lights that I saw when I was only about thirteen or fourteen years of age is all true. The lights were also seen at the same time by about six other adults. I still remember those lights today as if it happened yesterday. It was about nine O'clock in the late even when we saw them. The light as it was coming into sight and it looked to me to be about the size of about four to six inches in diameter and round. It was coming from the south and I could see it was very high in the sky. It was much higher than the tree outline against the star light sky. We all saw the same thing and we kept our eyes on it. The larger light was just sitting there and started pulsating in the night sky at a standstill but only for a moment. Then two tiny lights came down out of the bottom of the larger light, one right after the other. One of the small lights then went east, and then the other one went west. They were moving very fast as we all watched. In a few more minutes, the two small lights returned, just like they came down and out of the larger ship, they both went right back up into the larger light. The larger light went south and disappeared out of sight. That's where this story starts. In fact, I'm still wondering about those lights, where they came from, and where did they go? I know only one thing, seeing those lights are still real in my mind. If you know where they came from, or have seen similar lights, then please share it with me.

Always with Me Kristin Lee 2021-08 Steamy. Slow Burn.Second Chance. Age Gap. Friends to Lovers. Coming of Age.Big twist plus Romantic Suspense. HEA(Book 1 of The Racing Hearts Series)Gracie I was in high school, when a college guy with a thousand watt smile walks into the barn. Tall, golden tan, with medium blonde hair and ocean blue eyes. My stomach feels like a platform diver is doing two and half twist somersaults inside of me. He was my first kiss and first love and only love. No matter what I do or where I go, he's in my thoughts. I'm thankful I didn't give him my virginity like I wanted too. In that regard, he was a gentleman. I ran to Ireland to escape his memory to pursue my dreams of becoming a horse trainer. But no matter what I do or where I go, Brandon is always with me. A year after he broke my heart, my dad has a horse running in the Kentucky Derby. Brandon's horse. BrandonAt the time, Gracie was considered a forbidden fruit. There was no denying our physical attraction. Considering my reputation, I did well to only take a small bite. I loved her, even if she doesn't believe it. I failed at giving her what she needed and didn't turn to her when I needed her most which led to losing her. But she was Always With Me, in my heart and in my mind.I've become the man worthy of her, only to face new obstacles.She told me once in a low and gentle voice, "Take the road that leads to me."I've tried every road, every path. I've crossed oceans and countries trying to find that road. But nothing is going to keep me from Gracie, not another man, not the ocean between us.Horse racing brings us together in the same room, but an epic night could be the end of us.

Dwell in Possibility - a Worcester Nights novella Ophelia Sikes Kate's life sucks. She's tending bar at a run-down dive. Her immoral boss fondles every co-ed within reach. The clientele is made up of TV-glazed zombies, drunkards, and ... who is that in the corner? The Thunderbolt Hits. She hadn't thought it was real. But when she looks into Sean's eyes, the force of the connection staggers her. Her mind desperately seeks to pull her back - he's an ex-felon. Far too talented with those rippled muscles and toned fists. He's everything she should be staying away from. She craves him from the depths of her soul. His touch smolders her skin; his fingers expose her to worlds she never dreamt existed. But when his secret is ripped free from the dark shadows, their lives teeter on the brink of destruction. * * * Half of all proceeds of this novella benefit battered women's shelters. Dwell in Possibility is the first of four novellas in the Worcester Nights series. Due to the strong sexual content and adult situations, this romantic suspense story is recommended for readers aged 17+. The first three novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after. Ophelia adores Worcester, Massachusetts with all its gritty streets, rows of muted-colored three-deckers, and tough-as-nails can-do attitude. She's lived in this area since college, with only a few brief flings in other locations. No matter where else she travels, the powerful allure of Worcester pulls her home again. Worcester's a mere hour west of Boston, with many of the same traditions of Irish culture and fierce pride. Boston Strong.

Max Damage Dan Decker 2021-04-06 A FORMER FBI AGENT IS DENIED PAROLE AND ON HIS WAY BACK TO PRISON.Former Fed Jason Maxfield is seven years into a ten-year prison sentence. With his hopes of an early release dashed by the parole board, he resigns himself to serving his sentence. But his day is about to get much worse.HIS PRISON TRANSPORT IS STORMED BY ARMED MEN WHO THREATEN HIS FAMILY.Armed men storm the bus. Jason's old adversary leads them. He threatens Jason's ex-wife before knocking him unconscious. Not only that, but the daughter whose name he doesn't even know is also at risk.Jason regains consciousness and realizes his choice is simple: he can return to prison or he can use the key his enemy left lying within reach to free himself.HE HAS NO CHOICE BUT TO RUN.He takes the second option, desperate to get to his ex-wife and daughter before his sinister adversary can find them. Can Jason do the impossible?What price is he willing to pay?Buy your copy today to find out! Sneak PeekJason didn't glance at the guard or bother to answer. The inmate across from him glanced at Jason's face and shrunk back. Jason frowned at the man. It was important to keep up appearances. There was one rule in here that everybody understood.Fear.If they feared him, he would be left alone. That was what he wanted. He wanted to do his time and get out. One year from now, three years from now, it did not really matter."I'm talking to you, Maxfield." The guard's voice was agitated now. "Do you understand?" "I heard you." Jason still didn't look his way. He could sense the man was unnerved by the lack of respect, but Jason did not care. The man knew better than to push him."You either, Smith. Got it?" "Yes sir." Jason stared at the man across from him with unblinking eyes. The man swallowed. He was in a different cellblock. They had never run into each other until today, something the man was probably reminding himself of while trying to avoid Jason's gaze."Smith." Jason spoke so quietly that it was a wonder the man heard.The man went pale and tried to move away, but the chains on his feet kept him secured. He looked around, almost as if thinking about asking the guard to move him, but he must have thought better of it because he remained silent.Jason continued to study the man as he made a conscious effort not to look at Jason. Their eyes made contact when he finally did.Jason tilted up the corners of his mouth in a mocking smile.If Smith had been white before, he looked like a ghost now. He had just opened his mouth when a skidding noise at the front of the bus drew their attention.A smoke grenade bounced across the floor.

A Series of Plays Joanna Baillie 1799

[Fifty Contemporary Choreographers](#) Martha Bremser 2011-03-15 A unique and authoritative guide to the lives and work of prominent living contemporary choreographers. Representing a wide range of dance genres, each entry locates the individual in the context of modern dance theatre and explores their impact. Those studied include: Jerome Bel Richard Alston Doug Varone William Forsythe Phillippe Decoufle Jawole Willa Jo Zollar Ohad Naharin Itzik Gallili Twyla Tharp Wim

Vandekeybus With a new, updated introduction by Deborah Jowitt and further reading and references throughout, this text is an invaluable resource for all students and critics of dance, and all those interested in the fascinating world of choreography.

Italian Nights Ophelia Sikes 2015-01-08 Hannah and her sister, Megan, have been given the trip of a lifetime. They are cruising the Mediterranean Sea. Starting at Rome, they are working their way counter-clockwise through Florence, Monte Carlo, Barcelona, Sardinia, Sicily, and Pompeii. Life is their playground. And then Hannah meets Brandon. Brandon is strong, intelligent, loyal, and everything Hannah could possibly dream of in a man. He has also just walked in on his fiancée in bed with his best friend. Hannah is willing to wait as long as it takes for him to work his way through this betrayal. And then all Hell breaks loose ... Half of the author's proceeds of all Ophelia Sikes books benefit battered women's shelters. Italian Nights presents all five novellas in the Italian Nights series in one complete set! It includes the novellas Love's Heat, Carved Into My Heart, Lost in Darkness, Love's Labyrinths, and Flames and Tears. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+. The first four novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after. I come from a family which adores Italy. My parents strive to go every year, and I've been several times there myself. I took this very cruise through the Mediterranean Sea and wrote my notes while I traveled. The sights, sounds, aromas, and atmosphere of this exotic region are just as I personally experienced them. If you haven't been to Italy, Monaco, Spain, or France, I highly recommend it. Even if you have to save a little each year to make it a trip of a lifetime, it is well worth it. These locations are the cradle of civilization. The art, food, and culture created here resonate throughout time. In the meantime, enjoy this virtual vacation written from my first-hand experiences! *Meet Me at the Bus Stop* M. J. Ray 2020-11-11 Rosie has had enough high school drama to last her a lifetime. Bullied by the mean girls at her previous school she hopes the new school will be different. After all, this is a chance for her to start fresh and become whoever she wants to be. And though she isn't confident in her looks, she knows that her brilliant mind can be an asset in her new life.However, her goals begin to shift when she meets Liam, the most popular boy at her school, but someone with a bad reputation...Liam has spent his school career feeling misunderstood. With a hard outer shell, he spends his days in detention and getting into trouble. But he knows that he needs to improve his reputation in order to graduate. And what better way to do that than asking out the new girl?Liam asks Rosie to form an alliance and pretend to be his girlfriend. For her, it's a chance at being the one thing she wasn't at her old school: popular. And for him, it's a way to gain the trust and admiration of his teachers. But what begins as a simple arrangement becomes something much more complicated...As the first in its series, MJ Ray's "Meet Me at the Bus Stop" serves as a lovely and exciting introduction to charismatic characters and an intriguing story. For those looking for a sweet young adult romance, this is the perfect novel.Suitable for ages 13 to any age!

Mark Twain in Paradise Donald Hoffmann 2006-03-01 For Mark Twain, it was love at first landfall. Samuel Clemens first encountered the Bermuda Islands in 1867 on a return voyage from the Holy Land and found them much to his liking. One of the most isolated spots in the world, Bermuda offered the writer a refuge from his harried and sometimes sad existence on the mainland, and this island paradise called him back another seven times. Clemens found that Bermuda's beauty, pace, weather, and company were just the medicine he needed, and its seafaring culture with few connections to the outside world appealed to his love of travel by water. This book is the first comprehensive study of Clemens's love affair with Bermuda, a vivid depiction of a celebrated author on recurring vacations. Donald Hoffmann has culled and clarified passages from Mark Twain's travel pieces, letters, and unpublished autobiographical dictation—with cross-references to his fiction and infrequently cited short pieces—to create a little-known view of the author at leisure on his fantasy island. Mark Twain in Paradise sheds light on both Clemens's complex character and the topography and history of the islands. Hoffmann has plumbed the voluminous Mark Twain scholarship and Bermudian archives to faithfully re-create turn-of-the-century Bermuda, supplying historical and biographical background to give his narrative texture and depth. He offers insight into Bermuda's natural environment, traditional stone houses, and romantic past, and he presents dozens of illustrations, both vintage and new, showing that much of what Mark Twain described can still be seen today. Hoffmann also provides insight into the social circles Clemens moved in—and sometimes collected around himself. When visiting the islands, he rubbed shoulders with the likes of socialist Upton Sinclair and multimillionaire Henry H. Rogers; with Woodrow Wilson and his lover, socialite Mary Peck; as well as with the young girls to whom he enjoyed playing grandfather. "You go to heaven if you want to," Mark Twain wrote from Bermuda in 1910 during his long last visit. "I'd druther stay here." And because much of what Clemens enjoyed in the islands is still available to experience today, visitors to Bermuda can now have America's favorite author as their guide. Mark Twain in Paradise is an unexpected addition to the vast literature by and about Mark Twain and a work of travel literature unlike any other.

Variety (December 1939); 136 Variety 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Bermuda High Cameron Bortz 2011-10-01 Clyde Mulgerhof wants nothing more than to live quietly on his old fishing boat at his dock in Bell Island harbor, digging clams and drinking to forget. But when his boat sinks, Clyde's life is thrown into turmoil. Finding himself homeless and broke - again - Clyde sets a wavering course to pull himself together. Aided by his best friend Donny Pavolini, Clyde navigates the oddball characters and pitfalls of a booze-soaked Bell Island summer, including a corrupt Harbor Master, an incident involving politicians, strippers and water balloons, and a long, strange trip to the Mainland. When Clyde's friend Norm Kelly offers him lodgings in the loft above his garage, Clyde soon finds himself trying - and failing - to avoid the amorous advances of both Norm's daughter Sara and his estranged wife Maureen. By Labor Day, Clyde's voyage has left him hard aground, until an unexpected rescue turns Clyde into a reluctant hero. About the Author: Cameron Bortz grew up in Pennsylvania and currently resides in Groton, Connecticut. Publisher's website: <http://SBPRA.com/CameronBortz>

A Hazard of New Fortunes William Dean Howells 2022-05-17 The book, which takes place in late 19th century New York City, tells the story of Basil March, who finds himself in the middle of a dispute between his employer, a self-made millionaire named Dryfoos, and his old German teacher, an advocate for workers' rights named Lindau. The main character of the novel, Basil March, provides the

main perspective throughout the novel. He resides in Boston with his wife and children until he is persuaded by his idealistic friend Fulkerson to move to New York to help him start a new magazine, where the writers benefit in a primitive form of profit sharing. Considered by to be author's best work, the book is also considered to be the first novel to portray New York City. In this novel, Howells primarily deals with issues of post-war "Gilded Age" America, like labor disputes, the rise of the self-made millionaire, the growth of urban America, the influx of immigrants, and other industrial-era problems. Also, Howells here portrays a variety of people from different backgrounds. The book was well-received for its portrayal of social injustice. _x000D_ William Dean Howells (1837-1920) was an American realist author, literary critic, and playwright. He was the first American author to bring a realist aesthetic to the literature of the United States. His stories of Boston upper crust life set in the 1850s are highly regarded among scholars of American fiction.

Motor City Shakedown D. E. Johnson 2011-09-13 Detroit, 1911. Seven months have passed since Will Anderson's friend Wesley McRae was brutally murdered and Will and the woman he loves, Elizabeth Hume, barely escaped with their lives. Will's hand, horribly disfigured from the sulfuric acid he used to help save them, causes him constant pain, forcing him into a morphine addiction. He lives for nothing except revenge against the people who contributed to Wesley's murder—first among them crime boss Vito Adamo. When Will stumbles upon the bloody body of Adamo's driver, he knows he'll be a suspect, particularly since he was spotted outside the dead man's apartment that same night. He sets out to find the killer, and the trail leads him to a vast conspiracy in an underworld populated by gangsters, union organizers, crooked cops, and lawyers. Worse, it places him directly in the middle of Detroit's first mob war. The Teamsters want a piece of Will's father's car company, Detroit Electric, and the Gianolla gang is there to be sure they get it. To save their families, Will and his ex-fiancée Elizabeth Hume enlist the help of Detroit Police Detective Riordan, the teenage members of what will one day be known as the Purple Gang, and Vito Adamo himself. They careen from one danger to the next, surviving shootouts, kidnappings, and police brutality, while barreling toward a devastating climax readers won't soon forget.

That Winter Pamela Gillilan 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Worcester Nights Ophelia Sikes 2014-08-12 Kate's life sucks. She's tending bar at a run-down dive. Her immoral boss fondles every co-ed within reach. The clientele is made up of TV-glazed zombies, drunkards, and ... who is that in the corner? The Thunderbolt Hits. She hadn't thought it was real. But when she looks into Sean's eyes, the force of the connection staggers her. Her mind desperately seeks to pull her back - he's an ex-felon. Far too talented with those rippled muscles and toned fists. He's everything she should be staying away from. She craves him from the depths of her soul. His touch smolders her skin; his fingers expose her to worlds she never dreamt existed. But when his secret is ripped free from the dark shadows, their lives teeter on the brink of destruction. * * * Worcester Nights - The Boxed Set presents all four novellas in the Worcester Nights series in one complete set! It includes the novellas *Dwell in Possibility*, *A Soul Ajar*, *A Song of Soul and Hope*, and *Stop One Heart from Breaking*. The first three novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after. Half of all proceeds of this novella benefit battered women's shelters. Due to the strong sexual content and mature-topic situations, this romantic suspense series is recommended for readers aged 17+. Ophelia adores Worcester, Massachusetts with all its gritty streets, rows of muted-colored three-deckers, and tough-as-nails can-do attitude. She's lived in this area since college, with only a few brief flings in other locations. No matter where else she travels, the powerful allure of Worcester pulls her home again. Worcester's a mere hour west of Boston, with many of the same traditions of Irish culture and fierce pride. Boston Strong.

Atlantis Bermuda Triangle Bob Mayer 2012-07-09 By NY Times Bestselling Author Bob Mayer (author of the bestselling Area 51 series) #1 Kindle Science Fiction Bestseller on Atlantis "Spell-binding! Will keep you on the edge of your seat. Call it techno-thriller, call it science fiction, call it just terrific storytelling." Terry Brooks, #1 NY Times Bestselling author of the Shannara series and Star Wars Phantom Menace What if the Shadow that destroyed Atlantis 10,000 years ago, comes back to threaten our present world? A war beyond time. An enemy beyond space. A thriller beyond your wildest dreams. Three areas on the Earth's surface defy explanation: the Bermuda Triangle, the Devil's Sea of Japan, and a small region of Cambodia. Inside these realms, planes have disappeared, ships have vanished, and, in Cambodia, an entire civilization has been lost leaving behind Angkor Wat. In the present, former Green Beret Eric Dane teams up with the mysterious Sin Fen, a woman with powers he can't quite understand to fight the dark Shadow threatening the world. In the year 1,000 AD, a fearsome Viking Warrior, must protect a Seer from Valkyries, Kraken and other forces of legend and help her on a quest that connects through mysterious gates to Dane's battle in the present. All around the planet, at the junction of ley lines, and where tectonic plates join, black gates are opening, letting the dark Shadow into our world, threatening the very planet itself. Can Dane, Sin Fen, the Viking and the Seer, combine forces across a millennium to save the planet? If you enjoyed LOST, you'll love this book and be amazed at the similarities in concept (although this book was published before LOST). Atlantis Series: Atlantis Atlantis Bermuda Triangle Atlantis Devil's Sea Atlantis Gate Assault on Atlantis Battle for Atlantis *Love's Heat - An Italian Nights Novella* Ophelia Sikes Hannah and her sister,

Megan, have been given the trip of a lifetime. They are cruising the Mediterranean Sea. Starting at Rome, they are working their way counter-clockwise through Florence, Monte Carlo, Barcelona, Sardinia, Sicily, and Pompeii. Life is their playground. And then Hannah meets Brandon. Brandon is strong, intelligent, loyal, and everything Hannah could possibly dream of in a man. He has also just walked in on his fiancée in bed with his best friend. Hannah is willing to wait as long as it takes for him to work his way through this betrayal. And then all Hell breaks loose ... Half of the author's proceeds of all Ophelia Sikes books benefit battered women's shelters. *Love's Heat* is the first novella in the Italian Nights series. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+. The first four novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after. I come from a family which adores Italy. My parents strive to go every year, and I've been several times there myself. I took this very cruise through the Mediterranean Sea and wrote my notes while I traveled. The sights, sounds, aromas, and atmosphere of this exotic region are just as I personally experienced them. If you haven't been to Italy, Monaco, Spain, or France, I highly recommend it. Even if you have to save a little each year to make it a trip of a lifetime, it is well worth it. These locations are the cradle of civilization. The art, food, and culture created here resonate throughout time. In the meantime, enjoy this virtual vacation written from my first-hand experiences!

The Good Client Dan Decker 2020-01-17 Criminal defense attorney Mitch Turner is awoken in the middle of the night by a message from his nerdy law school employee, Timothy Cooper, begging Mitch for help. Uncertain about the problem from Timothy's cryptic texts, Mitch Turner slips into his suit and heads over to visit Timothy, unable to imagine any reason why Timothy would be calling for help at such a late hour. Mitch arrives to find the police at Timothy's apartment and learns that Timothy's roommate was murdered. Mitch immediately retrieves Timothy from the police before they can get him to say anything more and while in the process has a run-in with his ex-girlfriend who is now a detective. Mitch takes Timothy back to his office to debrief, but not long afterward, the police show up and arrest Timothy for the murder of his roommate. There are no witnesses. There are no other suspects. The police consider it an open and shut case, but the only thing that keeps Mitch from arranging a plea bargain is his belief that his client did not do it. The deeper Mitch digs, the more he learns that his client has secrets that he wants to be kept quiet at any cost, even at the expense of going to jail for something he did not do. Mitch soon learns he must work at odds with his client to provide the best legal representation possible, going around Timothy as he fights to keep his client out of jail. If you like legal thrillers, this novel is for you. Mitch Turner is a fast-talking lawyer who takes risks where others might not. Fans of John Grisham, Michael Connelly, and Scott Turrow will enjoy this story. Pick up your copy today! Sneak Peek: I sent the message and tried to figure out what my next step ought to be. I had intentionally not asked for details but I needed to know what I was walking into. The communications should be privileged, but I wasn't going to trust to that, especially not in the heat of the moment. If the fool had thought to encrypt his phone this might have been easier. My instruction to password protect his phone had been done more to protect me than him. If it wasn't encrypted it was already too late. From now on I was going to require every employee to encrypt their phone. Of course, I expected this would be the first and last time I would ever have an employee call me for criminal defense work. "Ok. What next?" Timothy sent as a text. "Our communications should be privileged," I texted back, "assuming you want me to be your attorney. Are you retaining my services as your attorney?" The message came back instantly. "Yes." "In a typical situation I would have you pay a retainer and sign an agreement, but we do not have time. We will go over the details later. I am assuming you are willing to pay. Correct?" While this might have seemed a little self-serving, I just wanted to make sure that I had evidence to back me up if I needed to prove an attorney-client relationship had formed. What I had already done should have been sufficient, but I liked to be thorough. "I will pay whatever I can. My dad can wire you the retainer." "Please be succinct in response to my next question. Assume the cops will read it so admit nothing." I waited. "What are we dealing with here?" I sent a moment later. It was a minute or two before Cooper replied. "My roommate is dead on his bed. Somebody blew out his brains."

Bowser the Hound Thornton W. Burgess 2012-09-19 Bowser the Hound, outsmarted so often by Old Man Coyote, is taken advantage of once again when the coyote leads him on a long chase that ends far from the canine's home.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

The Bermuda Connection Robert Rapoza 2018-06-11 A 2017 Pinnacle Award Winner & National Indie Excellence Award Finalist. When assassins try to kill Archeologist NICK RANDALL, he's forced into hiding. He follows the clues to a mysterious woman in Bermuda. But death is one step behind. Randall must find her and solve an ancient riddle before mercenaries unleash a horrific weapon on humanity. *Come on Baby* Kristin Lee 2021-12-19 Nic and Kaylee are so steamy that it's not just the clothes peeling off, so is the wallpaper. The attraction is instant. While Kaylee is sweet, ambitious and loyal, it is Nic that has to decide whether or not to bear the weight of her loyalty. Nic has his own issues. Deep inside, he has been shredded by the suicide of his previous girlfriend. His shoulder are only so wide. Their love story is fast and furious but will his sorrow and her ex stop their love in it's tracks?
