The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Then She Was Gone Lisa Jewell 2018-04-17 #1 NEW YORK TIMES BESTSELLER From the New York Times bestselling author of Invisible Girl and The Truth About Melody Browne comes a “riveting” (PopSugar) and “acutely observed family drama”

(People) that delves into the lingering aftermath of a young girl's disappearance. Ellie Mack was the perfect daughter. She was fifteen, the youngest of three. Beloved by her parents, friends, and teachers, and half of a teenaged golden couple. Ellie was days away from an idyllic post-exams summer vacation, with her whole life ahead of her. And then she was gone. Now, her mother Laurel Mack is trying to put her life back together. It's been ten years since her daughter disappeared, seven years since her marriage ended, and only months since the last clue in Ellie's case was unearthed. So when she meets an unexpectedly charming man in a café, no one is more surprised than Laurel at how quickly their flirtation develops into something deeper. Before she knows it, she's meeting Floyd's daughters—and his youngest, Poppy, takes Laurel's breath away. Because looking at Poppy is like looking at Ellie. And now, the unanswered questions she's tried so hard to put to rest begin to haunt Laurel anew. Where did Ellie go? Did she really run away from home, as the police have long suspected, or was there a more sinister reason for her disappearance? Who is Floyd, really? And why does his daughter remind Laurel so viscerally of her own missing girl?

[Does This Baby Make Me Look Straight?](#) Dan Bucatinsky 2012-06-05 In 2005, Dan Bucatinsky and his partner, Don Roos, found themselves in an L.A. delivery room, decked out in disposable scrubs from shower cap to booties, to welcome their adopted baby girl—launching their frantic yet memorable adventures into fatherhood. Two and a half years later, the same birth mother—a heroically generous, pack-a-day teen with a passion for Bridezilla marathons and Mountain Dew—delivered a son into the couple's arms. In *Does This Baby Make Me Look Straight?* Bucatinsky moves deftly from sidesplitting stories about where kids put their fingers to the realization that his athletic son might just grow up to be straight and finally to a reflection on losing his own father just as he's becoming one. Bucatinsky's soul-baring and honest stories tap into that all-encompassing, and very

human, hunger to be a parent—and the life-changing and often ridiculous road to getting there.

[Catching Fire \(Hunger Games, Book Two\)](#) Suzanne Collins 2010-06-01 The second book in Suzanne Collins's phenomenal and worldwide bestselling Hunger Games trilogy.

Also features bullet journaling pages and exclusive lists of the small things that bring Melanie joy, including her favorite TV shows and movies to fashion must-haves and more! Is my ordinary, everyday life actually significant? Is it okay to be fulfilled by the simple acts of raising kids, working in an office, and cooking chicken for dinner? It's been said, "Life is not measured by the number of breaths we take, but by the number of moments that take our breath away." The pressure of that can be staggering as we spend our days looking for that big thing that promises to take our breath away. Meanwhile, we lose sight of the small significance of fully living with every breath we take. Melanie

Shankle, New York Times bestselling author and writer at The Big Mama Blog tackles these questions head on. Easygoing and relatable, she speaks directly to the heart of women of all ages who are longing to find significance and meaning in the normal, sometimes mundane world of driving carpool to soccer practice, attending class on their college campus, cooking meals for their family, or taking care of a sick loved one. The million little pieces that make a life aren't necessarily glamorous or far-reaching. But God uses some of the smallest, most ordinary acts of faithfulness--and sometimes they look a whole lot like packing lunch.

It's been said, "Life is not measured by the number of breaths we take, but by the number of moments that take our breath away." Meanwhile, we lose sight of the small significance of fully living with every breath we take. Melanie Shankle, New York Times bestselling author and writer at The Big Mama Blog tackles these questions head on in her fourth book, *Church of the Small Things*. Easygoing and relatable, she speaks directly to the heart of women of all ages who are longing to find significance and meaning in the normal, sometimes mundane world of driving carpool to soccer practice, attending class on their college campus, cooking meals for their family, or taking care of a sick loved one. The million little pieces that make a life aren't necessarily glamorous or far-reaching. Through humorous stories told in her signature style, full of Frito pie, best friends, the love of her Me-Ma and Pa-Pa, the unexpected grace that comes when we quit trying to measure up, and a little of the best TV has to offer, Melanie helps women embrace what it means to live a simple, yet

incredibly meaningful life and how to find all the beauty and laughter that lies right beneath the surface of every moment. When Children Grieve John W. James 2010-06-22 "Once in a generation, a book comes along that alters the way society views a topic. When *Children Grieve* is an essential primer for parents and others who interact with children on a regular basis." — Bernard McGrane, Ph.D., Professor of Sociology, Chapman University and U.C. Irvine The first—and definitive—guide to helping children really deal with loss from the authors of the *The Grief Recovery Handbook* Following deaths, divorces, pet loss, or the confusion of major relocation, many adults tell their children "don't feel bad." In fact, say the authors of the bestselling *The Grief Recovery Handbook*, feeling bad or sad is precisely the appropriate emotion attached to sad events. Encouraging a child to bypass grief without completion can cause unseen long-term damage. *When Children Grieve* helps parents break through the misinformation that surrounds the topic of grief. It pinpoints the six major myths that hamper children in adapting to life's inevitable losses. Practical and compassionate, it guides parents in creating emotional safety and spells out specific actions to help children move forward successfully.

The Divine Commodity Skye Jethani 2009-05-26 The challenge facing Christianity today is not a lack of motivation or resources, but a failure of imagination. A growing number of people are disturbed by the values exhibited by the contemporary church. Worship has become entertainment, the church has become a shopping mall, and God has become a consumable product. Many sense that something is wrong, but they cannot imagine an alternative way. *The Divine Commodity* finally articulates what so many have been feeling and offers hope for the future of a post-consumer Christianity. Through Scripture, history, engaging narrative, and the inspiring art of Vincent van Gogh, *The Divine Commodity* explores spiritual practices that liberate our imaginations to live as Christ's people in a consumer culture

opposed to the values of his kingdom. Each chapter shows how our formation as consumers has distorted an element of our faith. For example, the way churches have become corporations and how branding makes us more focused on image than reality. It then energizes an alternative vision for those seeking a more meaningful faith. Before we can hope to live differently, we must have our minds released from consumerism's grip and captivated once again by Christ.

Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Fit to Burst: Abundance, Mayhem, and the Joys of

Motherhood Rachel Jankovic 2013-01-29 *Fit to Burst* is a book of parenting "field notes" written by a mom in the thick of it all. It is chock-full of humorous examples and fresh advice covering issues familiar to moms, such as guilt cycles, temptations to be ungrateful or bitter, enjoying your kids, and learning how to honor Jesus by giving even in the mundane stuff. But this book also addresses less familiar topics, including the impact moms have on the relationships between dads and kids, the importance of

knowing when to laugh at kid-sized sin, and more. *Fit to Burst* will help us to be moms who parent with the story in mind rather than the snapshot, who know how to give much and to require much from their children in the everyday mayhem, and who understand the importance of biscuits. A note from Rachel: "I don't pull punches or hold back in this book, because I am writing to myself as much as to you. If something in this book strikes a little close to home for you, know that it struck in my home first. I am not writing about other people's problems, although I know many of them are common. I write about what I know, and what I know is the challenges, the joys, and the work involved in raising little people."

Miss Memory Lane Colton Haynes 2022-05-31 A brutally honest and moving memoir of lust, abuse, addiction, stardom, and redemption from Arrow and Teen Wolf actor Colton Haynes. Four years ago, Colton Haynes woke up in a hospital. He'd had two seizures, lost the sight in one eye, almost ruptured a kidney, and been put on an involuntary psychiatry hold. Not yet thirty, he knew he had to take stock of his life and make some serious changes if he wanted to see his next birthday. As he worked towards sobriety, Haynes allowed himself to become vulnerable for the first time in years and with that, discovered profound self-awareness. He had millions of social media followers who constantly told him they loved him. But what would they think if they knew his true story? If they knew where he came from and the things he had done? Now, Colton bravely pulls back the curtain

on his life and career, revealing the incredible highs and devastating lows. From his unorthodox childhood in a small Kansas town, to coming to terms with his sexuality, he keeps nothing back. By sixteen, he had been signed by the world's top modeling agency and his face appeared on billboards. But he was still a broke, lonely, confused teenager, surrounded by people telling him he could be a star as long as he never let anyone see his true self. As his career in television took off, the stress of wearing so many masks and trying to please so many different people turned his use of drugs and alcohol into full-blown addiction. A lyrical and intimate confession, apology, and cautionary tale, *Miss Memory Lane* is an unforgettable story of dreams deferred and dreams fulfilled; of a family torn apart and rebuilt; and of a man stepping into the light as no one but himself.

Home Is Where My People Are Sophie Hudson 2015-01-16 All roads lead to home. It's easy to go through life believing that we can satisfy our longing for home with a three-bedroom, two-bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years. But ultimately, in our deepest places, we're really looking to belong and to be known. And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life, God is at work in the journey, teaching us, shaping us, and refining us—sometimes through the most unlikely people and circumstances. In *Home Is Where My People Are*, Sophie Hudson takes readers on a delightfully quirky journey through the South, introducing them to an unforgettable cast of characters, places, and experiences. Along the way, she reflects on how God has used each of the stops along the road to impart timeless spiritual

wisdom and truth. Nobody embodies the South like Sophie Hudson, and this nostalgic celebration of home is sure to make even those north of the Mason-Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who—related or not—have come to represent home. Because at the end of the day, it's not the address on the front door or even the name on the mailbox that says home, but the people who live and laugh and love there, wherever there might happen to be.

Written in the familiar, stream-of-consciousness style of her blog, Big Mama, Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Yet over the last couple of decades, we've substituted the joy of real friendship with cheap imitations. We settle for "community" on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment. We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community. But real friendship requires effort. It's showing up, laughing loud, and crying hard. It's forgiving and loving and giving the benefit of the doubt. It's making a casserole, doing a carpool pickup, and making sure she knows those cute shoes are 50 percent off. Written in the same comedic style as the New York Times bestsellers *Sparkly Green Earrings* and *The Antelope in the Living Room*, *Nobody's Cuter than You* is a laugh-out-loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments. From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better, Melanie Shankle reveals the influence our friends have on who we were, who we are, and who we will become. And on a day when our jeans feel too tight, our chins have decided to embrace hormone-related acne reminiscent of our teen years, and our kids have tested the limits of our sanity, they are the ones who will look at us and say, "Nobody's cuter than you!"

Eat Cake. Be Brave. Melissa Radke 2018-07-17 From the star of USA reality show *The Radkes* and creator of the viral "Red Ribbon Week" video, this is a hilarious and inspiring story of finding self-confidence in a world of naysayers. My name is Melissa Radke, and there is a very real chance you have no idea who I am or why I wrote a book. But admit it, you're curious! Even though millions of people seem to like watching my videos and *The Radkes* TV show bemoaning the trials of parenting, marriage, French braiding, faith, and living life as an anti-aging female, you may still be wondering who let me write a book. I mean, books are written by people who say things like, "I was having a root canal and I literally died in the chair. I saw heaven. Also, when I came back to earth I could speak Mandarin." Yeah, that didn't happen to me. I wrote this book because when I turned 41 I made the decision to live brave, bolder, and freer. I thought our lives were supposed to change when we turned 40. But mine changed when I turned 41 and I set out to prove that it wasn't too late for me. And maybe, just maybe, reading about my journey to find my sense of self-worth will help you rightfully believe in yours. This book is about how all the years of my life led up to the one that changed it. So, cut a big slice and raise a fork...Here's to bravery. Here's to courage. Here's to cake. (And not the crappy kind, like carrot.)

Walk Two Moons Sharon Creech 2009-10-06 In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately

weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story

of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.
