The Cybil War Betsy Byars 1990-04-01 Young love, told by the Newbery Medal-winning author of Summer of the Swans Simon is in fifth grade, and every time he sees Cybil Ackerman, his heart pounds. Falling in love with her was easy, but winning her is not. Simon's best friend, Tony, is also swooning over Cybil, and he'll stop at nothing to ruin Simon's chances of impressing her. When Simon realizes what Tony is up to, the war is on... but only Cybil can decide the outcome. Who will be the lucky winner of Cybil's heart? "Young love, fifth-grade variety, portrayed with warmth and humor and that extra, penetrating touch one expects of Byars."—Kirkus Reviews An ALA Notable Book **Senior Leadership Teams** Ruth Wageman 2008-01-24 An organisation's fate hinges on its CEO—right? Not according to the authors of Senior Leadership Teams. They argue that in today's world of neck-snapping change, demands on leaders in top roles are rapidly outdistancing the capabilities of any one person - no matter how talented. Result? Chief executives are turning to their enterprise's senior leaders for help. Yet many CEOs stumble when creating a leadership team. One major challenge is that senior executives often focus more on their individual roles than on the top team's shared work. Without the CEO's careful attention to setting the team up correctly, these high-powered managers often have difficulty pulling together to move their organisation forward. Sometimes they don't even agree about what constitutes the right path forward.The authors explain how to determine whether your organisation needs a senior leadership team. Then, drawing on their study of 100+ top teams from around the world, they explain how to create a clear and compelling purpose for your team, get the right people on it, provide structure and support, and sharpen team members' competencies - and your own. Timely and practical, this book enables you to create and sustain a leadership team whose members learn from one another while collaborating to pursue your company's objectives.

Ask More, Get More Michael Alden 2014-02-18 A pragmatic and simple self-help guide written by a true rags-to-riches everyman for everyone looking to improve their life -- I overcame crime, drugs, and poverty to make millions of dollars in a short period of time. I'm an average guy who learned how to "ask more" to "get more" out of life. The strategies and techniques I outline in this book can help you get just about anything—a better job, a new house, or a great vacation—faster and more consistently if you're willing to follow my advice.

Leading Change in Multiple Contexts Gill Robinson Hickman 2009-07-15 The first book to bring together both leadership and change theories, concepts, and processes, Leading Change in Multiple Contexts uses a consistent framework and the latest research to help readers understand and apply the concepts and practices of leading change. Crunch Time Rick Peterson 2017-01-23 An MLB pitching coach and a leadership expert share 6 strategies to help you handle pressure like elite athletes like Michael Jordan and Pedro Martinez. In his fifteen years as a major league pitching coach, with the "Moneyball" Oakland A's, New York Mets, Milwaukee Brewers, and Baltimore Orioles, Rick Peterson has coached Hall of Famers, Cy Young winners, and many other elite athletes. In this book, he and bestselling author and leadership expert, Judd Hoekstra make this skill available to everyone. From an insider's perspective, learn how you too can become a Crunch Time performer and perform your best in all situations. With fascinating behind-the-scenes examples from some of the top names in sports and business, Rick and Judd offer six powerful reframing strategies to help you see a pressure situation with a new perspective so that it shifts from a threat that can make you panic to an opportunity for you to shine. With a Forward by "Money Ball" Billy Beane, EVP, Oakland Athletics. 2017 Silver Nautilus Award Winner in the Psychology Category "Rick helped me unlock potential I didn't know I had. He has a knack for using humor and anecdotes to enhance his message. I have no doubt that Crunch Time will help you unlock your potential and help you perform at your best under pressure!" —Tom Glavine, Hall of Fame major league pitcher, World Series Champion, and 300 game winner "Rick and I had many conversations about process optimization and problem-solving. Thankfully he and Judd Hoekstra have now memorialized a practical method for getting out of our own way and easing into the flow that can be applied to any endeavor. Absolutely invaluable stuff." —Steven Soderbergh, Palme d'Or winner at the Cannes Film Festival, Academy Award winner for Best Director

The Zen Leader Ginny Whitelaw 2012-04-22 Leaders today face nearly impossible tasks. Forced to do more with less, expand globally, innovate quickly, inspire broadly and—oh, yes—balance work and family. How can one manage all this pressure? The Zen Leader does not encourage you to just "be peaceful." Neither does it suggest you work harder, faster, or ignore the pressure. Quite the opposite: it's about using the pressure to propel "flips" in consciousness that create transformational leaders, leaders who create the future with joy and enthusiasm, rather than drive themselves and their people to exhaustion. The Zen Leader guides you through 10 "flips" that take you from barely managing to mastering change—not by doing more, zoning out, or pretending you have all the answers. Chapter by chapter, You'll learn how to make the "flips" that reframe your life, your leadership, and your world. Discover how you can get out of your own way and realize The Zen Leader in you.

An Offer He Can't Refuse Christie Ridgway 2009-10-13 Meet Californian Téa Caruso . . . her mother drives her crazy, her sisters give "advice." She has a family just like any other, except for one tiny difference . . .Her grandfather isn't just in the mob . . . he is the mob! And no one knows this better than Johnny Magee. The Caruso family destroyed his dad. Now, it's his payback time—and he's going to need an unsuspecting insider . . . one who won't realize what he's really after. Téa loves her family but hates what they do. She's tried to stay far away from her notorious relatives, making a legit name for herself as an interior designer. But her grandfather Cosimo's gala 80th birthday is coming up. Every mobbed-up member of the family from San Francisco to Sarasota will be there—and it's time for Téa to face the family or face the consequences. Intent on using Téa for revenge, Johnny hires her to redo his home, but then she makes him "offers" he can't refuse. Soon he's falling in love with the enemy and when all the secrets are revealed, what will Téa do . . . and even worse, what will her family?

Brilliance by Design Vicki Halsey 2011-01-10 Many subject matter experts are just that, subject matter experts—not experts in the art of teaching, facilitating, or designing. Thousands of authors, trainers, and speakers have great content, but they lack the skills required to convey their content in a way that inspires learners to unleash their brilliance and move the learning to practice.. They often spend 70% of their time on WHAT they are going to teach, and 30% of their time on HOW, when they should be spending 30% on WHAT, and 70% on HOW. Their instructional techniques often are at odds with their message of inclusivity, eagerness for people to learn, and hopes that their content will change lives and organizations. "Brilliance by Design" outlines how to design learning interactions (such as meetings and workshops) that enable people to do their best thinking. Using the tested, signature ENGAGE model, it helps anyone who brings people together for the purpose of learning, problem-solving, or innovating to develop a clear, high-impact training design that unleashes brilliance. It presents a model that enables teachers to analyze learner and teacher needs, create objectives that meet those needs, and incorporate interactive tools that "fire 'em up," ensuring all key outcomes are met. To help readers unleash the brilliance in others, this book provides the structure, tools, language, and models needed to create optimal learning experiences from their ideas, practices, models and books. In learning these techniques, readers will achieve powerful outcomes, building communities of learners who share best practices and communicate at a deep and profound level while doing real work.

Little Horse Betsy Byars 2015-12-01 Can Little Horse find his place in the big world? After accidentally falling into a stream, Little Horse fights the swift current that carries him farther and farther from the valley where he was born. When he finally manages to scramble ashore, a giant bird swoops down on him. Little Horse runs for cover in a forest of flowers only to have a giant paw pin him to the ground. But a hand gently lifts him up and tucks him inside a warm cave—just like the cave he used to share with his mother. This tender, fast-moving tale, written by master storyteller Betsy Byars and enhanced by David McPhail's beguiling illustrations, is a true cliff-hanger.

Take the Lead Betsy Myers 2012-07-24 A senior advisor to two Presidents and former Executive Director of Harvard's Center for Public Leadership identifies seven modern keys for successful leadership, citing the characteristics of individuals who motivate others to meet their potential, work well in teams and become fully engaged. Reprint.

Take the Lead Betsy Myers (Motivational speaker) 2012 "Betsy Myers, former Executive Director of the Center for Public Leadership at Harvard, Clinton administration insider and COO of the Obama campaign, offers 7 key principles for becoming a leader in every aspect of your life, and the secrets for inspiring and motivating others toward greater collaboration and action" --

PEAK Chip Conley 2017-10-30 Proven principles for sustainable success, with new leadership insight PEAK is the popular, transformative guide to doing business better, written by a seasoned entrepreneur/CEO who has disrupted his favorite industry not once, but twice. Author Chip Conley, founder and former CEO of one of the world's largest boutique hotel companies, turned to psychologist Abraham Maslow's Hierarchy of Needs at a time when his company was in dire need. And years later, when the young founders of Airbnb asked him to help turn their start-up home sharing company into a world-class hospitality giant, Conley once again used the principles he'd developed in PEAK. In the decade since this book's first edition, Conley's PEAK strategy has been developed on six continents in organizations in virtually every industry. The author's foundational premise is that great leaders become amateur psychologists by understanding the unique needs of three key relationships—with employees, customers, and investors—and this message has resonated with every kind of leader and company including some of the world's best-known, from Apple to Facebook. Avid users of PEAK have found that the principles create greater loyalty and differentiation with their key stakeholders. This new second edition includes in-depth examples of real-world PEAK companies, including the author's own at Airbnb, and exclusive PEAK leadership practices that will take you—and your company's performance—to new heights. Whether you're at a startup or a Fortune 500 company, at a for-profit, nonprofit, or governmental organization, this book can help you and your people reach potential you never realized you had. Understand how Maslow's hierarchy makes for winning business practices Learn how PEAK drove some of today's top businesses to success Help employees reach their full potential—and beyond Transform the customer experience and keep investors happy The PEAK framework succeeds because it elevates the business from the inside out. These same principles apply in the boardroom, the breakroom, and your living room at home, and have proven to be the foundation of healthy, fulfilled lives. Even if you think you're doing great, you could always be doing better—and PEAK gives you a roadmap to the next level.

The Season of Styx Malone Kekla Magoon 2018 Caleb Franklin and his younger brother, Bobby Gene, spend an extraordinary summer their new, older neighbor, Styx Malone, a foster boy from the city in this lively and diverse story from the Coretta Scott King Honor-winning author of "How It Went Down."

The Leader's Code Donovan Campbell 2013-04-09 What does it take to be a great leader? In a word: character. This unique book by decorated U.S. Marine Corps veteran Donovan Campbell, the New York Times bestselling author of Joker One, draws on his years of training and combat experience to reveal the specific virtues that underpin effective leadership—and how anyone can stand up, serve others, and make a difference in the world by bringing out the best in a team. The Leader's Code is a practical action plan that can be applied to any situation in which exemplary leadership is required, whether that be at home or in the workplace. Moreover, The Leader's Code unpacks the military servant-leader model—a leader must take care of his mission first, his team second, and himself a distant third—and explains why this concept of self-sacrifice is so needed in today's world. Focusing on the development of character as the foundation of servant-leadership, Campbell identifies character's six key attributes: humility, excellence, kindness, discipline, courage, and wisdom. Then, drawing on lessons from his time in the Corps and stories from history, Scripture, and American business, he shows us how to develop those virtues in order to take the helm with confidence, conviction, and a passion to bring out the best in others. Being a leader is about being worthy of being followed. True leaders, Campbell argues, foster compassion for others and they pursue excellence in all that they do. They are humble and know how to self-correct. Campbell's exploration of these vital qualities is wide-ranging, as he takes us from the boardrooms of the world's most successful companies to the Infantry Officer Course, the intense twelve-week training gauntlet that Marines use to prepare their leaders to sacrifice themselves for the welfare of others. With faith in our political and business leaders at an all-time low, America is in the midst of a crisis of trust. Yet public opinion polls show that there is one institution that still commands widespread respect because of its commitment to character and sacrifice: the United States military. The Leader's Code shows that this same servant-leader model can help us all become our best selves—and provide a way forward for our nation. Advance praise for The Leader's Code "A refreshing model for leadership, offering convincing principles and motivating examples that are sure to make a difference in a leader's personal and professional life. I can't remember a leadership book that has had more influence on my thinking."—Steve Reinemund, dean of business, Wake Forest University, and retired chairman and CEO, PepsiCo "Donovan

Campbell has written a superb, thoughtful, all-encompassing examination of leadership and leaders. His key lessons, easily understood and well articulated, are applicable at home, within the community, and to professionals in all walks of life. The Leader's Code is an important book for anyone concerned about today's leadership crisis in our country and in our communities."—General Mike Hagee, USMC (Ret.), 33rd Commandant of the U.S. Marine Corps "Donovan Campbell nails it as he speaks to our country's need for leadership at every level: at home, in the marketplace, in education, in government, and in the military. The Leader's Code is a clear call to be focused on the right mission, in the right way, and at the right time. This is a thoughtful book that will keep you awake at night and challenge you to dream in the daytime!"—Dennis Rainey, president and CEO, FamilyLife

Little Horse on His Own Betsy Byars 2015-12-01 Little Horse had never known the sky to be so black, the air so still. He heard the big horses whinny again. Little Horse's fear grew. The adventures of Little Horse continue as he makes his way back to the valley of little horses and his mother The storm sets Little Horse free from the fence holding him captive, free to do what he has wanted to do since the day the river carried him around its bend and away from his home—find his way back to the valley of the little horses and his mother. But where should he turn, and how will he ever return home alive with all of the obstacles facing him? Travel with Little Horse as he struggles against unfriendly horses, a malicious bird, a pouncing cat, a smoky fire, and more to find his way home.

Tune In to Wow Leadership Sheri Staak 2015-01-06 A viewing guide to help leaders focus on their own development and set their internal DVR to WOW! The fictional world of TV depicts a plethora of characters who embody what Sheri Staak calls "WOW leadership qualities." (Incompetents are not in short supply either.) Drawing from classics and recent favorites alike, she showcases heroes or leaders from NCIS to Hawaii Five-0 - Blue Bloods as well as villains—from The Sopranos to NYPD Blue to Breaking Bad—to illustrate her insights in entertaining and vividly memorable ways. Far from taking a conventional approach, Staak posits that whether you're a veteran executive or an aspiring manager, you can learn a great deal about becoming an extraordinary leader by tuning in to popular TV programs. She's selected specific "scenes in episodes" or "instances" that pinpoint what to do and what not to do in the workplace to invest in others, constantly improve your own skills, build trust, and earn respect. She supplements those "Tune In" features with practical lists of key actions to take to strengthen the character traits every top-notch leader must possess. And for times when you're faced with an issue such as broken trust or poor communication that must be repaired, Staak draws on her estimable experience to suggest implementable, effective solutions. Those bulleted lists, plus the exercises she calls "WOW in Action," will help you quickly evaluate where you stand in comparison to the WOW ideal. Be you a Millennial or a Baby Boomer, you'll learn how to become the type of effective communicator, confident visionary, inspirational motivator, agent of change, and bold decision maker your direct reports will proclaim to be a "great boss."

Lead to Succeed Rick Pitino 2001-12-04 Learn how to be a leader from one of sports' greatest teachers, Rick Pitino. As Rick Pitino says, great leaders aren't born great; they learn great leadership along the path of life. From the time Pitino first became a coach at twenty-four, he has been a student of leadership in all its forms, studying how great leaders from legendary coaches to American presidents to world humanitarians are able to inspire and motivate others. He discovered that all leaders, on the court and off, in business, politics, or civil rights, have certain qualities in common; these leaders share key traits that make people want to listen to them and follow them. Now, in Lead to Succeed, Rick Pitino shares the ten traits of great leadership he discovered and has cultivated in himself, and shows readers how they, too, can become leaders in their business and personal lives. As the former coach of the Kentucky Wildcats who turned the team around from probation status to a 1996 NCAA championship, Pitino relates stories of this experience, and other leadership lessons from his career. When Rick Pitino joined the Boston Celtics in 1997, he took on the biggest challenge of his professional life, becoming not only head coach but also president of the Celtics. In addition to coaching professional athletes with multimillion-dollar contracts, he was assuming a leadership role of an organization saddled with salary cap problems, limited talent, misfortune in the draft lottery, and bombarded by adversity on all sides. Facing these adversities, Pitino has relied on a leadership strategy based on his years of learning from leaders around him and from his own mistakes and successes. Leading isn't about being a dictator; nor is it about people-pleasing. As Pitino shows in Lead to Succeed, leadership is about communication, consistency, and selflessness. In addition to illustrating how these traits apply in a variety of business situations, Pitino addresses these issues: How you can be an effective business leader and still be honest When it's best not to delegate How the past can hurt you How to get your team out of a slump While Pitino has had great success with his players, he has also convinced thousands of people in companies across America that his leadership message applies in the workplace as well. Lead to Succeed is for anyone who wants to inspire and motivate others--be it your employees or colleagues, or members of an organization you belong to, or your family. A perfect book for executives, managers, and sports fans, Lead to Succeed can make great leadership within reach.

Take the Lead Alexis Daria 2017-10-03 Named one of the Best Romances of 2017 by Entertainment Weekly and The Washington Post! A 2018 RITA® winner for Best First Book! "A sparkling debut." —Entertainment Weekly "Vibrantly written." —The Washington Post The first in a sizzling new series about finding love on and off the dance floor from #OwnVoices author Alexis Daria. Gina Morales wants to win. It's her fifth season on The Dance Off, a top-rated network TV celebrity dance competition, and she's never even made it to the finals. When she meets her latest partner, she sees her chance. He's handsome, rippling with muscles, and he stars on the popular Alaskan wilderness reality show Living Wild. With his sexy physique and name recognition, she thinks he's her ticket to the finals—until she realizes they're being set up. Stone Nielson hates Los Angeles, he hates reality TV, and he hates that fact that he had to join the cast of The Dance Off because of family obligations. He can't wait to get back to Alaska, but he also can't deny his growing attraction to his bubbly Puerto Rican dance partner. Neither of them are looking for romantic entanglements, and Stone can't risk revealing his secrets, but as they heat up the dance floor, it's only a matter of time until he feels an overwhelming urge to take the lead. When the tabloids catch on to their developing romance, the spotlight threatens to ruin not just their relationship, but their careers and their shot at the trophy. Gina and Stone will have to decide if their priorities lie with fame, fortune, or the chance at a future together. The second Dance Off novel, Dance With Me, is available now!

Leading From Within Sam M. Intrator 2007-09-21 Leading from Within is a wonderful collection of ninety-three poems from well-loved poets, each of which is accompanied by a brief personal commentary from a leader explaining the significance and meaning of the poem in his or her life and work. The contributors represent a wide range of professions including Vanguard Group founder John Bogle, MoveOn.org cofounder Joan Blades, several members of Congress, Christian activist Brian McLaren, business guru Peter Senge, and many other leaders from business, medicine, education, nonprofits, law, politics and government, and religion. In their reflections, these leaders explore how they have been inspired by poets such as T.S. Eliot, Mary Oliver, William Stafford, Langston Hughes, Pablo Neruda, Robert Frost, Rumi, May Sarton, Wallace Stevens, Wendell Berry, and Rainer Maria Rilke. "Leading from Within is perhaps the most soulful treatment of leadership ever composed. Leadership is first an inner quest, and there is absolutely no better place to explore your inner territory than in the pages of this book. This is an evocative work of art; do yourself an immense favor, and engage with these amazing and diverse leaders and their poems." —Jim Kouzes, coauthor of the bestselling The Leadership Challenge and A Leader's Legacy "Leading from Within makes brilliant use of the world's great poets to inspire us to lead with our hearts as well as our heads. It calls to the deeper purpose and meaning within all of us to use our gifts to serve others." —Bill George, author, True North: Discover Your Authentic Leadership "This is a superb collection of poems and deeply personal reflections from a wide range of real leaders. It is a gift to all of us who believe in bringing our hearts to our work." —Rep. John Lewis (D-Ga.) "The entries in this wonderful anthology are a joy to read and all the more interesting because of their special meaning to the leaders who recommended them. It is a book that every nonprofit leader should place among those they draw upon for inspiration every day." —Diana Aviv, president and CEO, Independent Sector "Leading from Within offers a candid view straight into the heart and soul of leaders striving to do good and effective work in the world. The poems and commentaries remind us that leadership is always deeply personal and chock-full of dilemmas that must be addressed by creativity, passion, imagination, and courage." —Jeff Swartz, president and CEO, Timberland

Lead with LUV Kenneth H. Blanchard 2010 Colleen Barrett began her career as an executive secretary, yet Southwest Airlines' founder chose her to succeed him as president. When asked why, he said, "Because she knows how to love people to success." --

Me and My Big Mouth! Joyce Meyer 2008-11-16 Wish you could take control of the words you speak, instead of feeling like your mouth has a mind of its own? With God's help you can! This companion study guide to ME AND MY BIG MOUTH! takes you from, "Oh, no, I can't believe I just said that!" to learning God's language. This book will show you how to train your mouth to speak words that will help you accomplish all God wants for you in this life. Bestselling author Joyce Meyer emphasizes that speaking the Word of God must be coupled with living a life of complete obedience to the Word of God in order to see the full power of God flowing in your life. By applying the biblical truths outlined in this book, you will learn: The effect of your words in the natural realm How to speak God's language How to break the chains of the past How to cross over to victory Plus much more! Bring your mouth into agreement with God . . . and begin to walk in victory!

Athena Rising W. Brad Johnson 2019-12-03 When it comes to mentoring, women face more barriers than men. Here's how men can help change that. Increasingly, new employees and junior members of any profession are encouraged--sometimes stridently--to "find a mentor!" Four decades of research reveals that the effects of mentorship can be profound and enduring; strong mentoring relationships have the capacity to transform individuals and entire organizations. But the mentoring landscape is unequal. Evidence consistently shows that women face more barriers in securing mentorships than men, and when they do find a mentor, they may reap a narrow range of both professional and psychological benefits. Athena Rising is a book for men about how to eliminate this problem by mentoring women deliberately and effectively. Traditional notions of mentoring are modeled on male-to-male relationships, yet women often report a desire for mentoring that addresses their interpersonal needs. Women want mentors who not only understand this, but truly honor it. Coauthors W. Brad Johnson and David G. Smith present a straightforward, no-nonsense manual for men working in all types of institutions, organizations, and businesses to become excellent mentors to women, because as women succeed, lean in, and assume leading roles in any organization or work context, the culture will become more egalitarian, effective, and prone to retaining top talent.

Be Chief Rick Miller 2018-09-04 Reports today indicate that 7 in 10 workers are not giving 100% on the job. Why? Mostly, they feel powerless. Researchers estimate the cost of this lost productivity at over \$500B annually. Conventional wisdom says Chiefs are special, Chiefs are chosen, Chiefs have titles. And only those at the top have the power to be Chief. We need a new way to think about Chiefs and power, and we need new tools. To Rick Miller, a Chief is anyone who fully and enthusiastically connects what they do to who they are, personally and professionally. Rick defines power in terms of the clarity, energy, and impact we can all choose to build. Miller is a different kind of turnaround specialist who has led million- and billion-dollar organizations that have unlocked employee productivity, tripled growth rates, and delivered sustainable growth using a strategy to cultivate teams of powerful Chiefs. An easy to follow guide that can help leaders at any level unlock the potential in their teams.--Tony Hsieh, CEO of Zappos.com Inc., and New York Times bestselling author of Delivering Happiness

Through the Eyes of Betsy McCall C. R. Perk 2004-08 In conclusion of this book, I would hope that the reader has enjoyed the opportunity of learning the various cultures and the similarities of all families. Again, I would like to reiterate the fact that crime is a traumatic experience to both families of victims and the families of victims turned perpetrators. It is a tragedy when a victim of a crime cannot express their pain due to the traumas of humility, fear, guilt and perhaps, other various psychological reasons. Unfortunately, victims try to block out the ill treatment that they receive in their earlier years of life. As I say they try to forget although it is always in the back of their minds. They desperately seek out someone they feel they can trust. If that isn't possible they revert to suicides or homicides. In many cases they enter into relationships where they believe that they have found the right person and they ultimately disclose. However, relationships are not always what they are cut out to be. Some men and women when falling in love are sincere in their feelings. On the other hand some are what they call unstable, inconsistent or flirtatious. A heart is not to be tampered with especially when it has been broken, too many times before. It is very difficult for a family to forgive if they have lost a loved one. However, in reading "Touching Lives" I only hope that one can understand the two sides of inner pain and attempt to seek out more appropriate means of closure other than revenge. Understanding the anger or pain of one who has lost a family member is however easier to accept than to perceive the vengefulness of a stranger. Many people in society create more pain to grieving families just by the repetitious and ongoing accounts of the tragedies. Furthermore, if the news catches the public's attention in a big way, the media will carry it on for months and maybe longer. There are various organizations established around the country to assist prisoners and families of victims in the mediation process in order to get a clearer sense of all the unresolved questions and answers leading up to the fatality. However, the media and the populace need to allow this to occur in order for a positive change in society. Once a prisoner is sentenced to life without parole they have lost everything-- their families, their freedom, their esteem and all friends. Once in prison they are punished more. They

become "caged animals" only to become more hardened in their hearts.

Go-Givers Sell More Bob Burg 2010-02-18 With their national bestseller *The Go-Giver*, Bob Burg and John David Mann took the business world by storm, showing that giving is the most fulfilling and effective path to success. That simple, profound story has inspired hundreds of thousands of readers around the world—but some have wondered how its lessons stand up to the tough challenges of everyday real-world business. Now Burg and Mann answer that question in *Go-Givers Sell More*, a practical guide that makes giving the cornerstone of a powerful and effective approach to selling. Most of us think of sales as convincing potential customers to do something they don't really want to. This mentality sets up an adversarial relationship and makes the sales process much harder than it has to be. As Burg and Mann demonstrate, it's far more productive (and satisfying) when salespeople think like Go-Givers. Cultivate a trusting relationship and focus exclusively on creating value for the other person, say the authors, and great results will follow automatically. Drawing on a wide range of examples of real-life salespeople who have prospered by giving more, Burg and Mann offer tips and strategies that anyone in sales can start applying right away.

Take the Lead Betsy Myers 2011-09-13 "Why is it that some people challenge us and motivate us to rise to our best abilities, while others seem to drain our energy and spirit? What is that particular quality certain people have that causes those around them to engage fully and feel connected?" You are a leader. You do not need to be in a boardroom, on a battlefield, or on a ballot to have a profound impact on everyone around you. In this life-changing book, Betsy Myers—senior adviser to two US presidents and former executive director of Harvard's Center for Public Leadership—demonstrates how each of us has opportunities to take the lead every day and shares seven core principles that will enable us to be more productive, engaged, and successful. From the Oval Office to the playground, cabinet meetings to kitchen tables, in public life and private, Betsy Myers has seen firsthand the emergence of a new leadership model where having all the answers up front is less important than asking the right questions, where strength is derived less from the power you wield than from how you make the people around you feel. With personal stories from her time in government, in academia, and on the campaign trail, as well as her experiences as a wife, daughter, and mother, Myers helps all of us learn to set the right priorities for ourselves; to connect on a deeper level with the people around us; to uncover problems early when they are still easy to fix; to collaborate with those whose points of view are different from our own; and to push through our fears and live our most authentic lives. Myers demonstrates that more than simply making people feel good, this kind of leadership can have a profound effect on the results achieved: it is how initiatives are launched, profits are made, and work gets done. Personal, practical, and profoundly inspiring, *Take the Lead* is a book for anyone who wonders where all the great leaders have gone. Betsy Myers helps us see that true leadership is all around us—and within us.

Bingo Brown and the Language of Love Betsy Byars 2013-02-12 Algebra is hard, but love is harder For a twelve-year-old, Bingo Brown has a lot figured out. He has good friends, he knows how to cook, and he's even made peace with the school bully. But the problem with being twelve is that new problems keep popping up and confusing him. Soon Bingo is panicking over the love of his life moving to Oklahoma, the school bully asking for relationship advice, and his parents acting weirder than ever. If Bingo's ever going to make it to high school with his heart in one piece, he's going to need to ace every test in the language of love. This ebook features an illustrated biography of Betsy Byars including rare images from the author's personal collection.

My Dog, My Hero Betsy Byars 2014-03-25 'My Hero' to Be Chosen: Eight finalists will compete tonight for the title My Hero. The winner will wear the coveted gold Hero medal. These brave and courageous dogs will each appear with their nominator who will tell their story. There's Smiley, who fought a giant bull. Bear used his giant paws to save the life of another dog. Munchkin warned a gardener of a poisonous snake about to strike. Old Dog helped find people buried under rubble after a tornado. Buster pulled a baby carriage out of the path of a careening truck. Blue, who had never been known to bark, used his voice to bring help to his wounded master. Dopey's constant barking saved the life of a baby left in a sweltering car. Little Bit brought love and companionship to a nursing home resident. In *My Dog, My Hero* each story is told in the unique, sometimes humorous, but always compelling voice of the person whose life was changed by the heroic action of a very extraordinary dog. Betsy Byars and her daughters Betsy Duffey and Laurie Myers have joined forces to create dog stories full of adventure and suspense. Loren Long's paintings capture the heroic dignity of each of the dogs and heighten the drama of their special stories.

Southern Sass and a Battered Bride Kate Young 2021-04-27 At a murder mystery-themed wedding reception on Georgia's picturesque Peach Cove Island, the bride is doing an awfully good job playing dead . . . Marygene Brown always figured she'd marry her childhood sweetheart, Alex Myers, not cater his wedding. But the Peach Diner could use the exposure. Most of the island is showing up—although more for the role-playing murder game at the reception than for the widely loathed bridezilla, Lucy Carmichael. Marygene may have to smile through the festivities, but Mama doesn't have to hold her peace—especially since only Marygene can hear her mother's ghost. Mama says she sees an aura of darkness around the wedding. So when Marygene finds Lucy lying beside the wedding cake, buried in batter, with no pulse, it looks like Mama called it. This is no game. And when the bride's body simply vanishes, it's up to Marygene and her best friend Betsy (cousin to the groom and no fan of the bride) to solve a real-life mystery—with a little help from Mama's sassy spirit . . . Includes Seven Recipes from Marygene's Kitchen!

The High-Potential Leader Ram Charan 2017-02-08 Set your sights on High-Potential leadership and help your organization thrive In today's tumultuous and rapidly evolving business environment, High-Potential leaders are in high demand. Do you possess the relationship skills, strategic vision, innovation, and determination needed to thrive as a high-potential leader in your organization? New York Times bestselling author Ram Charan answers that question and helps you hop on the fast-track to leadership success in this insightful guide. Traditionally, leaders have risen up through the ranks based on their cognitive abilities, analytical skills, thoroughness, and even perfectionist tendencies, but as modern businesses have moved to a more digitally-driven model, the criteria for leaders has markedly changed. The High-Potential Leader explains the modern business climate while highlighting the critical role relationship building, communication style, engagement, and ability to motivate and bring out the best performance in others play in becoming an impactful leader. Whether you're just embarking on your leadership journey or are ready to make the leap to the next leadership level, Charan's real-world lessons and practical advice will help you discover who you are as a leader, chart your path, accelerate your growth, and ultimately, become the high-potential leader your organization needs to succeed.

Begin Boldly Christie Hunter Arscott 2022-08-02 Learn how to take the right risks for lasting success. Begin Boldly provides a framework for making the kind of bold moves that will get your career off to its best start! Have you ever shied away from taking a risk? Maybe you didn't apply for a job because you didn't meet 100 percent of the requirements or passed up the opportunity to take on a challenging role because you didn't feel ready. If you can relate, you are not alone. Despite recognizing the benefits of making bold moves, most women—especially those early in their careers—struggle to harness the power of risk-taking. Begin Boldly changes that. Christie Hunter Arscott equips readers to

intelligently take risks using an actionable model built around three mindsets: a curious mindset, a courageous mindset, and an agile mindset. With a step-by-step method for taking risks, assessing rewards, and refining approaches, she gives women a flexible and repeatable framework to help them develop this critical career skill. Begin Boldly inspires women to take chances on themselves and turns risk-taking into an enlightening and empowering antidote for self-doubt. As Christie reminds us, the biggest risk for women is not taking any risks at all. A discussion guide is available in this book.

The Glory Girl Betsy Byars 2013-02-12 Anna's role in her family of gospel singers is an important one—far away from the stage Every member of the Glory family is blessed with abundant musical talent. Everyone, that is, except for Anna. She can't sing or play an instrument, so the family counts on her to sell their music at performances. Naturally, she feels completely left out. When her black sheep Uncle Newt is released from prison, Anna feels oddly close to him, even though they've never met before. After all, Newt must know what it means to feel like an outsider. But when the Glories' tour bus crashes and her loved ones are in danger, Anna can't sit on the outside any longer. The *Glory Girl* is a funny, moving tale of one oddball kid finding her place in her family, and in the world. This ebook features an illustrated biography of Betsy Byars including rare images from the author's personal collection.

After the Shot Drops Randy Ribay 2018 A powerful novel about friendship, basketball, and one teen's mission to create a better life for his family. Written in the tradition of Jason Reynolds, Matt de la Pe a, and Walter Dean Myers, *After the Shot Drops* now has three starred reviews * "Belongs on the shelf alongside contemporary heavy-hitters like Angie Thomas's *The Hate U Give*, Brendan Kiely and Jason Reynolds's *All-American Boys*, and Nic Stone's *Dear Martin*."--School Library Journal, starred review Bunny and Nasir have been best friends forever, but when Bunny accepts an athletic scholarship across town, Nasir feels betrayed. While Bunny tries to fit in with his new, privileged peers, Nasir spends more time with his cousin, Wallace, who is being evicted. Nasir can't help but wonder why the neighborhood is falling over itself to help Bunny when Wallace is in trouble. When Wallace makes a bet against Bunny, Nasir is faced with an impossible decision—maybe a dangerous one. Told from alternating perspectives, *After the Shot Drops* is a heart-pounding story about the responsibilities of great talent and the importance of compassion.

Link Out Leslie Grossman 2012-12-31 Proven networking strategies to achieve lifetime professional success In today's competitive market, the typical ways of communicating don't serve the purpose of building strong, long-term connections. We need to build collaborative relationships that are memorable and influence others to aid in achieving our goals. What is the first step to connecting with the right person? It's not simply passing along a business card or rattling on about yourself, it is listening to what to the other person has to say. *Link Out* is filled with strategies that can turn strangers into connections that can change your career or business. Explains how to ensure that potential entourage members perceive you positively Offers a tracking process, which enables accountability Teaches how to express visions and goals through your personal brand Helps you to transform brief connections into relationships that produce valuable introductions and referrals *Link Out* delivers an entourage of people willing and eager to make introductions, connections, and referrals—propelling one's resume or business to the top of the heap.

The Go-Giver Leader Bob Burg 2016-03-29 "I met last week with your leaders," Ben began. "I heard what they had to say. And you know, they make a good point." He paused. Take charge, Ben, he told himself. Take control. He looked around the conference room. Take, take, take. Was that really what he was here to do? With their acclaimed bestseller *The Go-Giver*, Bob Burg and John David Mann proved that a heartfelt parable could also express a powerful idea. In *The Go-Giver Leader* (originally published as *It's Not About You*), they offer an equally compelling tale about a struggling small business and the ambitious young executive trying to lead them to a crucial decision. Allen & Augustine has manufactured high-quality chairs for decades. Its people take pride in their work and feel loyal to their owners and management team. But this revered company is now at a crossroads, hurt by a tough economy, foreign competition, and a cash crunch. The air is filled with the scent of uncertainty, anxiety, perhaps even panic. Into this setting enters Ben, who's been assigned by a larger firm to promote a merger that will rescue Allen & Augustine. Ben's facts are undeniable: the chair maker can either merge and modernize or go bankrupt and vanish. So why can't he persuade anyone to buy in, from the CEO on down? Will Ben find a way to sway the employee shareholders before the climactic vote? And can Allen & Augustine survive without losing its soul? The answers may surprise you as you follow Ben on his journey to understanding that the path to genuine influence lies less in taking leadership than in giving it. This revised and updated edition includes a new introduction, a discussion guide, and a Q&A with the authors.

The Go-Giver Bob Burg 2007-12-27 A new edition with expanded content is available now, "The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea" An engaging book that brings new relevance to the old proverb "Give and you shall receive" The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of "go-givers": a restaurateur, a CEO, a financial adviser, a real estate broker, and the "Connector," who brought them all together. Pindar's friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others' interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, *The Go-Giver* is a heartwarming and inspiring tale that brings new relevance to the old proverb "Give and you shall receive." From the Hardcover edition.

A Step from Heaven An Na 2016-07-26 A young Korean girl and her family find it difficult to learn English and adjust to life in America.

Smart Talk Lisa B. Marshall 2013-01-22 Have you ever lost out on a promotion? Struggled with a difficult conversation? Been put on the spot and blanked? Imagine if... ..you were better at persuading others and negotiating for what you want. ...you were more fluent at introducing yourself, making conversation, and following up. ...you were better at delivering feedback, receiving criticism, and using positive language. ...you were perceived as more diplomatic and charismatic. *Smart Talk* applies up-to-date communication research to everyday situations and gives smart, practical, step-by-step directions to achieve results. *Smart Talk* is no ordinary book— it's the Swiss Army Knife of communication—a comprehensive set of tools to build strong relationships and avoid communication breakdowns. With proven strategies and practical action plans, *Smart Talk* will help you resolve conflicts, strengthen your natural charisma, and master the art of persuasion. Never again will you dread a holiday party or be rendered speechless at a business meeting. Backed by solid research and written in an engaging narrative style with a warm sense of humor, communication expert Lisa B. Marshall translates her wealth of experience into practical, fresh advice to help you navigate any complex situation, and achieve professional success.
