No Longer at Ease Chinua Achebe 2013-04-25 Obi Okonkwo is an idealistic young man who, thanks to the privileges of an education in Britain, has now returned to Nigeria for a job in the civil service. However in his new role he finds that the way of government seems to be backhanders and corruption. Obi manages to resist the bribes that are offered to him, but when he falls in love with an unsuitable girl - to the disapproval of his parents - he

sinks further into emotional and financial turmoil. The lure of easy money becomes harder to refuse, and Obi becomes caught in a trap he cannot escape. Showing a man lost in cultural limbo, and a Nigeria entering a new age of disillusionment, No Longer at Ease concludes Achebe's remarkable trilogy charting three generations of an African community under the impact of colonialism, the first two volumes of which are Things Fall Apart and Arrow of God.
Home and Exile Chinua

Achebe 2000-07-27 Chinua Achebe is Africa's most prominent writer, the author of *Things Fall Apart*, the best known--and best selling--novel ever to come out of Africa. His fiction and poetry burn with a passionate commitment to political justice, bringing to life not only Africa's troubled encounters with Europe but also the dark side of contemporary African political life. Now, in *Home and Exile*, Achebe reveals the man behind his powerful work. Here is an extended exploration of the European impact on African culture, viewed through the most vivid experience available to the author--his own life. It is an extended snapshot of a major writer's childhood, illuminating his roots as an artist. Achebe discusses his English education and the relationship between colonial writers and the European literary tradition. He argues that if colonial writers try to imitate and, indeed, go one better than the Empire, they run the danger of undervaluing their homeland and their own

people. Achebe contends that to redress the inequities of global oppression, writers must focus on where they come from, insisting that their value systems are as legitimate as any other. Stories are a real source of power in the world, he concludes, and to imitate the literature of another culture is to give that power away. *Home and Exile* is a moving account of an exceptional life. Achebe reveals the inner workings of the human conscience through the predicament of Africa and his own intellectual life. It is a story of the triumph of mind, told in the words of one of this century's most gifted writers.

Night Elie Wiesel 2013-09-10 A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. *Night* is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his

own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

Vengeful Creditor Chinua

Achebe 2016-05-03 A Vintage Shorts "Short Story Month" Selection Mrs. Emenike resents that her husband drives a Mercedes while she is relegated the "noisy Fiat," and she loathes the words "free primary education," a new government initiative for which three of her servants have abandoned her. But, when the program is recalled, ten-year-old Vero, whose hopes of going to school have been dashed, is Mrs. Emenike's next willing recruit—young, innocent, and desperate to do anything and everything she must to earn an education. In this masterful story by "the father of Nigerian writing," Chinua Achebe portrays the devastating injustice done to young women

by government corruption and wealth inequality. Selected from Achebe's much-lauded collection of short fiction, *Girls at War*. An ebook short.

The Joy Luck Club Amy Tan

2006-09-21 "The Joy Luck Club is one of my favorite books.

From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix

Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the

Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Scratch Coding Cards 2017 A collection of ten themed activity card sets that introduces children to computer programming fundamentals using Scratch, a visual programming language

developed by the Lifelong Kindergarten Group at the MIT Media Lab.

Math Workbook for ISEE, SSAT & HSPT Prep Allen Koh 2011-07-01 Cardinal Education is an educational consulting and tutoring company based in Palo Alto, CA. Guided by a philosophy of fulfilling students' academic potential in a way that boosts skills and confidence for life, we work to maximize successful middle school, high school, and college admissions outcomes. While some of our methods defy "conventional wisdom," we have a proven track record with a broad range of students: the Ivy League bound to those wishing to avoid community college, the self-motivated to the intransigently jaded, and the profoundly gifted to learning disabled. We have a passion for expanding students' dreams and helping them attain their goals. Cardinal Education believes in the social value of a strong public education system and sponsors pro bono programs to bring private sector expertise to

bear. However, government fiscal policies are shortchanging public schools of opportunities: activities, sports, variety of classes, advanced classes, student: teacher ratios, and counseling departments. The “private school imperative” means that despite economic trends, admission to private school is becoming so competitive that it necessitates standardized testing excellence. The philosophy of this math workbook is rigor and drill. Because this is the first test students take that actively tries to trick students at every turn, students who sit for these standardized exams need reflexive familiarity with computation (math facts), problem types, and strategy. The entrance exams are the first standardized tests for which budgeting time is a significant issue. Students need to spend the majority of time on analysis to avoid getting tricked rather than computation. By building skills, speed, and confidence, we hope to eliminate anxiety and give students a solid

foundation on which to build excellent scores. This book is intended as a supplement for our highly trained staff, so it does not include strategies. However, motivated students can use it successfully with occasional help from a teacher or parent. Each chapter is comprised of units, with each unit comprised of 4 problem sets of difficulty, increasing in a logically progressive manner. Students should do as many of the 4 problem sets for each unit as it takes to achieve a 90% accuracy rate. Students taking lower level exams should complete problems 1-10 in each set. Students competing for high school admissions should complete each problem set in its entirety. Questions or feedback:

Guide: • Reflects the full range of development approaches (predictive, adaptive, hybrid, etc.); • Provides an entire section devoted to tailoring the development approach and processes; • Includes an expanded list of models, methods, and artifacts; • Focuses on not just delivering project outputs but also enabling outcomes; and • Integrates with PMI standards+™ for information and standards application content based on project type, development approach, and industry sector.

A TALE OF TWO BIRDS
GORDON B. GREER
2009-01-06 Mr. Greer reviews the very sporadic appearance of new weapons of war during the first three millennia of recorded military history. He contrasts this with the increasing frequency of new weapons in the most recent two centuries and the short time generally taken to develop those later weapons. The increased pace of technology improvement in several important categories of

weapons is discussed and the sequence is concluded by a review of an extremely long development period of a recent weapon, the Osprey.

Mister Johnson Joyce Cary
2021-01-28 The adventures and misadventures of a young Nigerian negro in the British colonial civil service. A temporary clerk, still on probation, Mr Johnson has been in Fada, Nigeria, for six months and is already much in debt. Undaunted, he entertains on the grandest scale, with drums and smuggled gin. Not only that, he intends to pay a small fortune for his wife...

Boots and Saddles Elizabeth Bacon Custer 1999-05 Boots and Saddles is in reality a bright and sunny sketch of the life of Mrs. Custer's late husband, General George A. Custer, who fell at the battle of Little Big Horn. After the war, General Custer was sent to the Indian frontier. His wife was of the party and she is able to give in minute detail the story of her husband's varied career since she was almost always near the scene of his

adventures. She touches on themes little canvassed by the civilian, and makes a volume equally redolent of a loving devotion to an honored husband and attractive as a picture of necessary duty by the soldier. Book jacket.

CHINUA ACHEBE Rose Ure Mezu 2006-06-15 Achebe: The Man and His Works uses the critical essay format to assess Chinua Achebe as a person, a writer and the inaugurator of the literary tradition of cultural nationalism. It progressively and thematically analyses his novels and works, comparing them with those of African literary and cultural groundbreakers in the Diaspora, including the pioneering works of Olaudah Equiano and Zora Neale Hurston The book is a unique and fresh addition to the body of writings on Africa's most respected novelist, widely acclaimed as the father of modern African literature, and generally believed to be one of the 100 most important writers of the 20th and 21st centuries. A must read!

Approaches to Teaching Achebe's Things Fall Apart

Bernth Lindfors 1991 A collection of essays offer various approaches to teaching Chinua Achebe's "Things Fall Apart" by such writers as Ashton Nichols, Simon Gikandi, and Hunt Hawkins.

Understanding Things Fall Apart Solomon Ogbede Iyasere 1998 Critical essays on Chinua Achebe's novel, Things fall apart.

Oliver Twist Illustrated Charles Dickens 2021-05-29 Oliver Twist; or, the Parish Boy's Progress is Charles Dickens's second novel, and was first published as a serial 1837-39.[1] The story centres on orphan Oliver Twist, born in a workhouse and sold into apprenticeship with an undertaker. After escaping,

Oliver travels to London, where he meets "The Artful Dodger", a member of a gang of juvenile pickpockets led by the elderly criminal, Fagin. Oliver Twist is notable for its unromantic portrayal by Dickens of criminals and their sordid lives, as well as for exposing the cruel treatment of the many orphans in London in the mid-19th century.[2] The alternative title, The Parish Boy's Progress, alludes to Bunyan's The Pilgrim's Progress, as well as the 18th-century caricature series by William Hogarth, A Rake's Progress and A Harlot's Progress.[3] In this early example of the social novel, Dickens satirises the hypocrisies of his time, including child labour, the recruitment of children as criminals, and the presence of street children. The novel may have been inspired by the story of Robert Blincoe, an orphan whose account of working as a child labourer in a cotton mill was widely read in the 1830s. It is likely that Dickens's own youthful experiences

contributed as well. Oliver Twist has been the subject of numerous adaptations for various media, including a highly successful musical play, Oliver!, and the multiple Academy Award-winning 1968 motion picture. Disney also put its spin on the novel with the animated film called Oliver & Company in 1988

Study Guide to Things Fall Apart by Chinua Achebe

Intelligent Education

2020-02-15 A comprehensive study guide offering in-depth explanation, essay, and test prep for Chinua Achebe's Things Fall Apart, regarded as one of literature's first counter narratives. As a classic novel written two years before Nigeria's independence, Things Fall Apart showcases a pre-colonized Nigeria and the transformation of culture after English colonization. Moreover, Achebe is a colorful and gifted storyteller, allowing readers to experience a culture they otherwise might not have the pleasure of knowing. This Bright Notes Study Guide explores the context and

history of Achebe's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Things Fall Apart Chinua Achebe 2013-04-25 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of

one African community, continued in *Arrow of God* and *No Longer at Ease*.

Things Fall Apart Chinua Achebe 1997?

An Expose' of the Holy Spirit

Willie B. White 2009-06 This book takes an in-depth look at the Holy Spirit, His works, His names, and His Emblems. The Holy Spirit is the third person in the Godhead, who operates coequally, coeternally, and coestintently as one unit. The Holy Spirit's activities are (a) He reveals, (b) He teaches, (c) He witness, and (d) He intercedes for us. Additionally, He possesses a reltaionahip with humanity and He can be grieved. The Holy Spirit is eternal, omnipresent, omnipotent, and omniscient. His symbols are (a) wind, (b) fire, (c) water, (d) a seal, (e) oil, and (f) adove.

There Was a Country Chinua Achebe 2012-10-11 From the legendary author of *Things Fall Apart* comes a longawaited memoir about coming of age with a fragile new nation, then watching it torn asunder in a tragic civil war The defining

experience of Chinua Achebe's life was the Nigerian civil war, also known as the Biafran War, of 1967–1970. The conflict was infamous for its savage impact on the Biafran people, Chinua Achebe's people, many of whom were starved to death after the Nigerian government blockaded their borders. By then, Chinua Achebe was already a world-renowned novelist, with a young family to protect. He took the Biafran side in the conflict and served his government as a roving cultural ambassador, from which vantage he absorbed the war's full horror. Immediately after, Achebe took refuge in an academic post in the United States, and for more than forty years he has maintained a considered silence on the events of those terrible years, addressing them only obliquely through his poetry. Now, decades in the making, comes a towering reckoning with one of modern Africa's most fateful events, from a writer whose words and courage have left an enduring stamp on world literature. Achebe masterfully

relates his experience, both as he lived it and how he has come to understand it. He begins his story with Nigeria's birth pangs and the story of his own upbringing as a man and as a writer so that we might come to understand the country's promise, which turned to horror when the hot winds of hatred began to stir. To read *There Was a Country* is to be powerfully reminded that artists have a particular obligation, especially during a time of war. All writers, Achebe argues, should be committed writers—they should speak for their history, their beliefs, and their people. Marrying history and memoir, poetry and prose, *There Was a Country* is a distillation of vivid firsthand observation and forty years of research and reflection. Wise, humane, and authoritative, it will stand as definitive and reinforce Achebe's place as one of the most vital literary and moral voices of our age.

Things Fall Apart

Each chapter is individually summarized and analyzed, and has study questions and answers.

Phil Alan Shipnuck 2022-05-17
NEW YORK TIMES
BESTSELLER “A rollicking good time.” —Golfweek *
“Thoroughly engaging.” —The Washington Post A juicy and

freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime *Sports Illustrated* writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear

himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the

Saudi golf league that Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

Suitable for Pre-K and Kindergarten. Age 3-5. Order your Letter Tracing Book for Preschoolers today.

The Encyclopaedia

Britannica 1911

A Walk in the Night Alex La Guma 1968 Of French and Malagasy stock, involved in South African politics from an early age, Alex La Guma was arrested for treason with 155 others in 1956 and finally acquitted in 1960. During the State of Emergency following the Sharpeville massacre he was detained for five months. Continuing to write, he endured house arrest and

solitary confinement. La Guma left South Africa as a refugee in 1966 and lived in exile in London and Havana. He died in 1986. *A Walk in the Night and Other Stories* reveals La Guma as one of the most important African writers of his time. These works reveal the plight of non-whites in apartheid South Africa, laying bare the lives of the poor and the outcasts who filled the ghettos and shantytowns.
