The Village by the Sea Anita Desai 2012

UGC-NET/JRF/SET History (Papers- II and III) Vikas Experts Test Prep for UGC-NET/JRF/SET History [The Zigzag Way](#) Anita Desai 2014-03-04 A young American in Mexico discovers his family's past—and a present-day danger—in this “elegant, exquisite” novel of suspense (Elle). Eric is a newly minted historian just out of graduate school, plagued by self-doubt over both his past choices and his future options. With no clear direction, he follows his lover, Em, when she travels to the Yucatan for her scientific research, but ends up alone in this foreign place. And so he pursues his own private quest, tracing his family's history to a Mexican ghost town, where, a hundred years earlier, young Cornish miners—among them Eric's grandparents—toiled to the death. Now, in place of the Cornish workers, the native Huichol Indians suffer the cruelty of the mines. When he inquires into their lives, Eric provokes the ire of their self-appointed savior, Dona Vera. Known as the “Queen of the Sierra,” Dona Vera is the widow of a mining baron who has dedicated her fortune to preserving the Huichol culture. But her formidable presence belies a dubious past. The zigzag paths of these characters converge on the Day of the Dead, bringing together past and present in a moment of powerful epiphany. Haunting and atmospheric, with splashes of exuberant color and darker violence, *The Zigzag Way* is “a beautifully rendered combination of history, folklore, and modern fiction” (Entertainment Weekly), from a Booker Prize finalist. “Long before Jhumpa Lahiri . . . long before Monica Ali . . . another novelist was offering us exquisitely detailed portraits of bodies in transit [and] classes in the art of sly and sensuous fiction . . . Anita Desai was a global, migrant writer before such a thing was fashionable.” —Time “Almost unbearably suspenseful.” —The Boston Globe “A hypnotic journey.” —San Jose Mercury News

Cost & Management Accounting for M.Com Entrance Examination Dheeraj Kumar Singh The book is useful for M. Com Entrance examination conducted by various universities including Delhi University, Banaras Hindu University, Jamia Millia Islamia and CET conducted for admission to Central Universities across India. The book is also helpful for PGT Commerce examination. This is an attempt to clarify the theoretical concept and provide practical problem solving aptitude to crack the objective type examinations. [The Virgin in the Garden](#) A. S. Byatt 2012-04-18 *The Virgin in the Garden* is a wonderfully erudite entertainment in which enlightenment and sexuality, Elizabethan drama and contemporary comedy, intersect richly and unpredictably.

Ideas and the Novel Mary McCarthy 2013-10-15 In this eye-opening book, Mary McCarthy shares her love of the novel and her fear that it is becoming an endangered literary species “He had a mind so fine that no idea could violate it.” So begins Mary McCarthy's fascinating critical analysis of the novel (and its practitioners) from her double-edged perspective as both reader and writer. The bestselling author of *The Group* takes T. S. Eliot's quote about Henry James, written in 1918, as a jumping-off point to discuss how the novel has evolved—or not—in the last century. In this lively, erudite book, McCarthy throws down the gauntlet: Why did the nineteenth century produce novels of ideas while the twentieth century is so lacking in serious fiction? She winnows out the underachieving (read: overhyped) authors from the geniuses, explores why Jean Valjean personifies man's conscience in Victor Hugo's *Les Misérables*, and shows how *Stendhal's* *The Red and the Black* “illustrates the evil effects of reading.” She also tackles the role of the omniscient narrator and analogizes novels to air travel. With its exploration of authors from Balzac to D. H. Lawrence, *Ideas and the Novel* holds inviolate the idea of the novel as a means ultimately of liberating ideas. This ebook features an illustrated biography of Mary McCarthy including rare images from the author's estate.

NTA-UGC-NET Rph Editorial Board 2020-10 This comprehensive book is specially developed for the candidates of CBSE-UGC-NET: Geography Exam for the purpose of Study and practice of questions based on the latest pattern of the examination. Detailed Explanatory Answers have also been provided for the selected questions for Better Understanding of the Candidates.

Stable Peace Kenneth E. Boulding 2014-12-15 The human race has often put a high value on struggle, strife, turmoil, and excitement. Peace has been regarded as a utopian, unattainable, perhaps dull ideal or as some random element over which we have no control. However, the desperate necessities of the nuclear age have forced us to take peace seriously as an object of both personal and national policy. *Stable Peace* attempts to answer the question, If we had a policy for peace, what would it look like? A policy for peace aims to speed up the historically slow, painful, but persistent transition from a state of continual war and turmoil to one of continual peace. In a stable peace, the war-peace system is tipped firmly toward peace and away from the cycle of folly, illusion, and ill will that leads to war. Boulding proposes a number of modest, easily attainable, eminently reasonable policies directed toward this goal. His recommendations include the removal of national boundaries from political agendas, the encouragement of reciprocal acts of good will between potential enemies, the exploration of the theory and practice of nonviolence, the development of governmental and nongovernmental organizations to promote peace, and the development of research in the whole area of peace and conflict management. Written in straightforward, lucid prose, *Stable Peace* will be of importance to politicians, policy makers, economists, diplomats, all concerned citizens, and all those interested in international relations and the resolution of conflict.

Medicine River Thomas King 2018-08-14 When Will returns to Medicine River, he thinks he is simply attending his mother's funeral. He doesn't count on Harlen Bigbear and his unique brand of community planning. Harlen tries to sell Will on the idea of returning to Medicine River to open shop as the town's only Native photographer. Somehow, that's exactly what happens. Through Will's gentle and humorous narrative, we come to know Medicine River, a small Albertan town bordering a Blackfoot reserve. And we meet its people: the basketball team; Louise Heavyman and her daughter, South Wing; Martha Oldcrow, the marriage doctor; Joe Bigbear, Harlen's world-travelling, storytelling brother; Bertha Morley, who has a short fling with a Calgary dating service; and David Plume, who went to Wounded Knee. At the centre of it all is Harlen, advising and pestering, annoying and entertaining, gossiping and benevolently interfering in the lives of his friends and neighbours.

The Stone Angel Margaret Laurence 2010-10-08 The film adaptation of Margaret Laurence's *The Stone Angel*, starring acclaimed actresses Ellen Burstyn and Ellen Page, and introducing Christine Horne, opens in theatres May 9, 2008. This special fortieth-anniversary edition of Margaret Laurence's most celebrated novel will introduce readers again to one of the most memorable characters in Canadian fiction. Hagar Shipley is stubborn, querulous, self-reliant, and, at ninety, with her life nearly behind her, she makes a bold last step towards freedom and independence. As her story unfolds, we are drawn into her past. We meet Hagar as a young girl growing up in a black prairie town; as the wife of a virile but unsuccessful farmer with whom her marriage was stormy; as a mother who dominates her younger son; and, finally, as an old woman isolated by an uncompromising pride and by the stern virtues she has inherited from her pioneer ancestors. Vivid, evocative, moving, *The Stone Angel* celebrates the triumph of the spirit, and reveals Margaret Laurence at the height of her powers as a writer of extraordinary craft and profound insight into the workings of the human heart.

From Charity to Social Work Elizabeth N. Agnew 2004 Mary E. Richmond (1861-1928) was a contemporary of Jane Addams and an influential leader in the American charity organization movement. In this biography—the first in-depth study of Richmond's life and work—Elizabeth N. Agnew examines the contributions of this important, if hitherto under-valued, woman to the field of charity and to its development into professional social work. Orphaned at a young age and largely self-educated, Richmond initially entered charity work as a means of self-support, but came to play a vital role in transforming philanthropy—previously seen as a voluntary expression of individual altruism—into a valid, organized profession. Her career took her from charity organization leadership in Baltimore and Philadelphia to an executive position with the prestigious Russell Sage Foundation in New York City. Richmond's progressive civic philosophy of social work was largely informed by the social gospel movement. She strove to find practical applications of the teachings of Christianity in response to the social problems that accompanied rapid industrialization, urbanization, and poverty. At the same time, her tireless efforts and personal example as a woman created an appealing, if ambiguous, path for other professional women. A century later her legacy continues to echo in social work and welfare reform.

[The British Museum Is Falling Down](#) David Lodge 2012-07-31 *The British Museum is Falling Down* is a brilliant comic satire of academia, religion and human entanglements. First published in 1965, it tells the story of hapless, scooter-riding young research student Adam Appleby, who is trying to write his thesis but is constantly distracted - not least by the fact that, as Catholics in the 1960s, he and his wife must rely on 'Vatican roulette' to avoid a fourth child.

India Before Europe Catherine B. Asher 2006-03-16 India is a land of enormous diversity. Cross-cultural influences are everywhere in evidence, in the food people eat, the clothes they wear, and in the places they worship. This was especially the case in the India that existed from 1200 to 1750, before the European intervention. The book takes the reader on a journey across the political, economic, religious and cultural landscapes of medieval India, from the Ghurid conquests and the Delhi Sultanate to the great court of the Mughals. This was a time of conquest and consolidation, when Muslims and Hindus came together to create a unique culture which still resonates in today's India. As the first survey of its kind in over a decade, the book is a tour de force. It is beautifully illustrated and fluently composed, with a cast of characters which will educate students and general readers alike.

Annual Report for the Year ... India. University Grants Commission 2013

As for Me and My House Sinclair Ross 2018-01-09 "It's an immense night out there, wheeling and windy. The lights on the street and in the houses against the black wetness, little unilluminating glints that might be

Painted on it. The town seems huddled together, cowering on a high tiny perch, afraid to move lest it topple into the wind." The town is Horizon, the setting of Sinclair Ross' brilliant classic study of life in the Depression era. Hailed by critics as one of Canada's great novels, *As For Me and My House* takes the form of a journal. The unnamed diarist, one of the most complex and arresting characters in contemporary fiction, explores the bittersweet nature of human relationships, of the unspoken bonds that tie people together, and the undercurrents of feeling that often tear them apart. Her chronicle creates an intense atmosphere, rich with observed detail and natural imagery. *As For Me and My House* is a landmark work. It is essential reading for anyone who seeks to understand the scope and power of the Canadian novel.
